Company's ability to continue as a going concern.

Our opinion is not modified in respect of this above matter.

### **Emphasis of Matter**

We draw attention to Note No. 8 of the standalone financial statements, which describes the Company's management evaluation of Covid 19 impact on the future business operations and future cash flows of the Company and it's consequential effects on the carrying value of assets as on March 31, 2021. In view of uncertain economic conditions, the Company's management's evaluation of impact on subsequent periods is highly dependent upon conditions as they evolve. Our opinion is not modified in respect of this matter.

# Management's Responsibility for the Standalone Financial Results

The statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation of statement that gives a true and fair view of the net loss and other comprehensive income of the Company and other financial information in accordance with the accounting standards specified under Section 133 of the Act, read with the relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

# Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statements as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act
  we are also responsible for expressing our opinion on whether the company has adequate
  internal financial controls with reference to financial statement in place and the operating
  effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Other Matters

The Company has trade receivables of ₹ 35,124 lacs due from holding company which is in the business of film rights distribution. Given the continued economic uncertainty created by the novel coronavirus coupled with significant business disruptions for film distributer and broadcasting companies, there is likely be an increase in events and circumstances which may cast doubt on a company's ability to continues as a going concern. The Company has considered the impact of these uncertainties and factored them into their financial forecasts that considers the realisation of dues from holding company and restructuring of the borrowing facilities (which is approved on 22 June 2021). For this reason, Management continues to adopt the going concern basis in preparing the financial results.

Further, lockdown like conditions have been imposed by government to curtail the second wave in 5 April 2021. This pandemic and response thereon have impacted most of the industries. The film industry has been impacted due to closures of theatres and restrictions on film shoots. The impact on company's future operations would, to a large extent, depend on how the pandemic further develops and it's resultant impact on the operations of the Company.
  - The Management has evaluated the impact on its financial statements and have made appropriate adjustments, wherever required. The extent of the impact on Company's operations remains uncertain and may differ from that estimated as at the date of approval of these standalone financial statements and will be dictated by the length of time that such disruptions continue, which will, in turn, depend on the currently unknowable duration of COVID-19 and among other things, the impact of governmental actions imposed in response to the pandemic. The Company is monitoring the rapidly evolving situation and its potential impacts on the Company's financial position, results of operations, liquidity, and cash flows.
