- 2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder (hereinafter referred to as "the said Indian Accounting Standard") and other accounting principles generally accepted in India. ### 4. Qualified Conclusion

a) As stated in Note 6 to the Statement, the Company has trade receivables from group entities amounting to Rs. 15,001 Lakhs (net of payable of Rs. 28,209 Lakhs) from Eros Worldwide FZ LLC ("EWW"), Rs. 7,244 Lakhs (net of payable of Rs. 321 Lakhs) from Eros International Limited UK, and Rs. 3,157 Lakhs from Eros International USA Inc. Receivable of Rs. 43,210 Lakhs from EWW which are overdue for long period of time, payments for which are not forthcoming. Basis the management accounts provided to us for the year ended March 31, 2023, the net worth of the aforesaid group entities have fully eroded and they have also incurred losses during that year. As described in the aforementioned note, the management, basis its internal assessment, has considered that since the receivables are from group entities, they are good and fully recoverable as at September 30, 2023 and no provision is required thereof. Accordingly, the Company has not created provision as per the expected credit loss (ECL) in accordance with Indian Accounting Standard - 109, "Financial Instruments" ('Ind AS 109) amounting to Rs. 21,133 Lakhs. The loss for the quarter and period ended September 30, 2023 is understated to that extent.

Moreover the management has not carried out a detailed and comprehensive impairment testing in accordance with the principles of Indian Accounting Standard - 109, "Financial Instruments" with respect to the aforesaid trade receivables. In the absence of sufficient appropriate audit evidence to support the management's aforesaid assessment, we are unable to comment upon adjustments, if any, that may be required to the carrying value of these trade receivables as at September 30, 2023 and the consequential impact of the same on the loss for the quarter and period ended September 30, 2023.

b) We draw attention to Note 10 to the accompanying Statement, wherein as mentioned the Securities and Exchange Board of India (SEBI) has appointed Forensic Auditor to verify the Consolidated Financial Statements of the Company for financial year ended March 31, 2018, March 31, 2019 and March 31, 2020 and status on the matter as on date. Further SEBI had passed an interim order on June 22, 2023 and pursuant to the appeal preferred by the Company with Securities Appellate Tribunal (SAT), the matter was heard and the Hon'ble SAT, vide an order dated August 22, 2023 disposed of the appeal directing the appellants to file reply/objection along with a stay vacation application. Further content advances (net of impairment) as on September 30, 2023 includes those given to certain parties and aggregating to Rs. 7,937 Lakhs which are subject matter of scrutiny and investigation by

SEBI. Pending completion of proceedings and investigation, we are unable to comment on the possible consequential effects thereof, if any, on the statement.

The opinion expressed by us on the standalone financial statements of the Company for the year ended March 31, 2023 vide our report dated May 29, 2023 as well as the conclusion expressed by us on the standalone financial results of the Company for the quarter ended June 30, 2023 vide our report dated August 11, 2023 was also qualified in respect of the matters referred in para 4 (a) and (b) above.

- 5. Based on our review conducted as stated in paragraph 3 above and subject to the possible effects of the matters described in paragraph 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the said Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 6. Material uncertainty relating to Going Concern

We draw attention to Note 7 to the Statement which indicates that the Company has incurred a net loss of Rs. 9,970 Lakhs for the quarter and period ended September 30, 2023 and there is a substantial erosion in the net worth. The events or conditions, along with other matters as set forth in Note 7, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. The assumption of going concern is dependent on the ability of the Company to raise funds through monetization of its film/ music library rights as well as its noncore assets, mobilization of additional funds through recovery of dues from its group entities and other strategic initiatives.

Our conclusion on the Statement is not modified in respect of above matter.

## 7. Emphasis of Matter

Attention is drawn to following notes to the statement:

a) Note 8 to the Statement with respect to the value of inventories which includes accumulated film rights costs amounting to Rs. 850 Lakhs as on September 30, 2023, we have relied on the management for realizable value of such inventory, being a technical matter.

b) Note 9 to the Statement with respect to content advances given for film projects having aggregate value of Rs. 16,505 Lakhs (net of provision) as on September 30, 2023, the management backed by valuation carried out by an independent valuer as on March 31, 2023 is of the opinion that adequate provision has been created in the books of accounts with respect to such advances and that the balance amount is recoverable and no further provision is required. This being a technical matter has been relied upon by us.

Our conclusion on the Statement is not modified in respect of these matters.
