MANAGEMENT DISCUSSION & ANALYSIS REPORT

Global Economy

The global economy in FY 2025-26, was resilient but grew at moderate pace amid trade tensions, geo-political uncertainty and shifting monetary policies following the challenges posed by US-Iran geo-political tensions, and supply chain disruptions showed slow progress. Global sentiments are in fragile state. If tariff conditions and trade policy improve, than global growth can strengthen to great extent. Economic conditions remained uneven across regions due to geo-political risks.

Key Drivers of Economic Performance:

- 1. Global Growth Outlook:** Global GDP growth is projected at a slower pace compared to previous years. Advanced economies, particularly the U.S. and the Eurozone was in uncertainty, while emerging markets, particularly China and India, contributed significantly to global expansion.
- 2. Inflation and Monetary Policy:** Inflation is expected to decline to 4.2% in 2025 and 3.6% in 2026. Inflation paths differ across countries. Advanced economies are generally approaching their inflation targets. However, inflationary pressures began to moderate towards the end of FY2025-26, leading to more cautious monetary policy outlooks in 2026.
- 3. Geopolitical Tensions:** The war in Iran and Gulf countries continued to exert a heavy toll on energy prices and global trade, particularly impacting Europe. Ongoing trade tensions between the U.S., India and China also created uncertainties in global supply chains and international investment flows.
- 4. Energy and Commodity Markets:** The energy market became expensive with oil and gas prices higher during 2025-26. Commodities like food grains and metals faced fluctuating prices due to disruptions and geopolitical factors.
- 5. Technology and Innovation:** The ongoing digital transformation, particularly in AI and renewable energy, showed promise for long-term growth. Countries and companies investing in green technologies and digital infrastructures are expected to lead the future economic trajectory.

Regional Highlights:

- United States:** The U.S. economy growth remained below historical averages. Consumer spending was supportive, but inflationary pressures led to tighter financial conditions.
- Europe:** Gradual recovery was supported by lower inflation and easing interest rate. Manufacturing and Exports sectors face pressure from global trade uncertainty.
- China:** China's growth remained slowing in 2025 compared to previous period. It also faced weak property markets and challenges in domestic markets.
- India:** India remains as one of the fastest-growing major economies, driven by domestic demand, a growing technology sector, and infrastructure investments.

Outlook for FY 2026-27

The global economy is expected to show resilient conditions in FY 2026-27, with growth continuing at a slower pace. Inflationary pressures are expected to ease, but economic challenges such as high tariff levels, energy uncertainty, and geopolitical risks will persist. Key areas to watch include global trade policies, technological advancements, and the transition to a green economy.

In conclusion, while the global economy in FY 2025-26, showed signs of recovery, it remains vulnerable to several risks. As countries face geo-political conflicts, inflation persistence and tariff war, trade cooperation will be essential to sustaining long-term growth.

Indian Economy

The Indian economy in FY 2025-26 has shown resilience and growth despite ongoing global challenges, positioning itself as one of the fastest-growing major economies. The nation's economic performance was supported by resilient domestic demand, policy reforms, and sectoral expansion in key sectors such as technology, services, manufacturing, and infrastructure. However, inflationary pressures, external uncertainties and energy markets posed significant challenges.

1. Economic Growth

India's economy is projected to grow at around **7.4% to 7.6%** in FY 2025-26, maintaining its position as one of the fastest-growing large economies globally. Growth was mainly driven by:

- **Strong domestic consumption,** Investments & service sector performance
- **Government expenditure on infrastructure** and key development projects.
- **Growth in services,** particularly digital services, and e-commerce.
- **Reduction in GST levels to stimulate expenditure of consumers**

The recovery in sectors like **manufacturing, services, agriculture and emerging sectors** also contributed to growth, while **exports** remained under pressure due to global economic slowdown and hike in trade tariff.

2. Inflation and Monetary Policy

Inflation continued to be a challenge, primarily driven by food and energy prices. However, the overall inflation rate showed signs of moderation towards the end of FY 2025-26, thanks to a better agricultural output, controlled commodity prices, and government interventions.

- The **Reserve Bank of India (RBI)** remained aligned in resolving and strengthening domestic demands
- Despite inflation, the fiscal policy focussed on boosting consumer spending through tax reliefs. Monetary policy provided liquidity and cost of capital support needed to the recovery.

3. Sectoral Performance

- **Services Sector:** The services sector remained a major contributor of India's economic growth. IT, software services, digital platforms, and the entertainment industry (including films and OTT) showed strong recovery.
- **Manufacturing and Infrastructure:** Manufacturing witnessed strong growth due to domestic demand. Additionally, large-scale infrastructure projects, including roads, Metros, railways, and urban development, continued to drive the economy.
- **Agriculture:** Agriculture showed average growth, aided by good monsoons and favourable weather conditions. The government introduced reforms to enhance agricultural productivity.
- **Exports and Trade:** India's exports and global trade have been robust. The export of goods such as electronics, pharmaceuticals and services like IT continued to be strong.

4. Challenges

- **Global Economic Uncertainties** The US Tariff and Global economic directions raised concerns. The global slowdown, especially in advanced economies, impacted India's export growth and foreign investments.
- **Inflationary Pressures:** Though inflation moderated towards the latter part of FY 2025-26, rising food and fuel costs remained a concern, particularly affecting lower-income households.
- **Unemployment and Job Creation:** Despite growth, **unemployment**, especially among the youth and in rural areas, remained a challenge. The government continued its focus on **skill development, entrepreneurship, and job creation** to address this issue.
- **Monetary Tightening:** The central bank's tightening of interest rates to control inflation increased borrowing costs and strict NPA norms, impacting sectors like finance, real estate, consumer durables, and automotive.

5. Key Government Initiatives

- **Infrastructure Development:** The government's focus on **infrastructure projects** continued, with an emphasis on **smart cities, railway modernization, and road expansion**.
- **PLI Schemes:** The government's **Production-Linked Incentive (PLI)** schemes for sectors such as electronics, pharmaceuticals, and renewable energy continued to boost manufacturing and attract foreign investment.
- **Digital and Green Economy:** Investments in **digital infrastructure, AI, and renewable energy** gained momentum, with India positioning itself as a hub for technology and green energy solutions.
- **Waves 2025** – It has created the grounds for India's power as emerging as a global player and hub for Innovative Contents for Domestic and Global market in Media & Entertainment sector.

6. Outlook for FY 2026-27

Looking ahead, India's growth is expected to remain stable in FY 2026-27, but at a slower pace due to global risks, tariff war, inflation concerns, and tighter financial conditions. Key growth drivers include:

- **Continued domestic demand** fuelled by the growing middle class and urbanization.
- **Government infrastructure spending** and initiatives like PLI schemes.
- **Digital and green economy initiatives** that will shape long-term economic growth.

However, risks from **geopolitical uncertainties, global inflation, and climate-related events** could pose challenges. The focus will likely be on maintaining a balance between controlling inflation and fostering growth, along with structural reforms in labour, agriculture, and the financial sector.

Conclusion

India's economy in FY 2025-26 displayed solid resilience, supported by a combination of strong domestic consumption, government reforms, and strategic investments. The outlook for FY 2026-27 remains positive, with continued emphasis on infrastructure development, digital transformation, and sustainability. However, managing external uncertainties and internal challenges such as unemployment and inflation will be crucial for sustaining long-term growth.

Media & Entertainment Industry

The **Media and Entertainment (M&E)** industry in India is projected to grow significantly with the sector reaching INR2.78trillion in 2025 and expected to grow to INR3.3trillion by 2026. However, it also faced challenges such as inflationary pressures, regulatory changes, and shifts in consumer preferences.

Key Trends in 2025-26

1. Digital Transformation and OTT Growth:

- The OTT (Over-the-top) streaming market continued its significant growth, fuelled by increasing subscription expand, affordable data costs, and a shift in consumer behaviour towards on-demand content. Popular platforms like Netflix, Amazon Prime Video, Disney+ Hotstar, and regional players saw increased subscription numbers.
- There was a marked shift towards regional content, with regional language films and shows experiencing greater viewership across digital platforms. This trend is expected to continue, as OTT players tailor content to cater to diverse Indian audiences.

2. Films Entertainment

- **Box office revenues** showed significant recovery in FY 2025-26, with high-performing films both in Hindi and regional languages contributing to a resurgence in theatrical releases.
- The cinema sector continued to face the challenge of competition from digital platforms and evolving

audience preferences. However, the experience of watching films in theatres remained an important draw for audiences, particularly with the resurgence of new technics and IMAX formats. Even Re-release of films have helped to increase revenue in this sector.

3. Content Creation and monetisation:

- The demand for high-quality content continued to rise, leading to an increased focus on premium content and collaborations with international studios. This was seen in the success of big-budget films, web series, and the increasing number of co-productions.
- Indian producers continued to experiment with new genres, blending traditional narratives with modern storytelling formats with help of AI in content diversity.
- **Content localization** was a significant trend, with companies investing heavily in dubbing, subtitles, and creating region-specific content to capture local markets, especially in non-Hindi-speaking regions.

4. Live Events and Sports:

- The return of live events and sports broadcasting marked a turning point in 2025-26, attracting huge viewership and advertising revenue.
- **E-sports** also gained traction, with several high-profile tournaments and a growing audience base, further strengthening the intersection between technology, gaming, and entertainment.

5. Advertising and Revenue Growth:

- **Advertising spend** continued to rise, with digital platforms (including OTTs, social media, and video sharing apps) capturing a larger share of the overall ad pie. Traditional TV and print media, while still important, saw moderate growth compared to digital channels.
- The ad-based model for digital platforms continued to grow, as advertisers sought to capitalize on the huge and engaged user base of streaming platforms, while social media influencers and user-generated content on platforms like Instagram, YouTube, etc. drove new advertising formats.

6. Challenges:

- **Inflationary pressures** impacted production costs, talent fees, and marketing expenses. The increasing cost of raw materials, logistics, and the cost of talent posed challenges for content creators and distributors.
- **Regulatory challenges:** The Indian M&E industry faced evolving regulatory scrutiny, especially concerning OTT content regulation, advertisement transparency, and data privacy laws. The government has shown interest in regulating OTT platforms, leading to potential changes in content and advertising standards.

Outlook for FY 2026-27

Looking ahead, the Indian Media and Entertainment industry is expected to continue its growth trajectory in FY 2026-27, driven by several key factors:

1. Continued OTT Expansion:

- The OTT sector is poised to expand further, with more players entering the market and established players focusing on regional content, creating tailored experiences for specific audience segments.

2. Mix Models in Cinema:

- The film industry is expected to embrace hybrid release models, combining theatrical releases with OTT premieres. More films will follow the success of direct-to-digital releases, particularly for mid-range budget films, while big-ticket films will still benefit from cinema-first strategies.
- **Premium theatrical experiences**, such as 4D and IMAX screenings, will continue to offer differentiation from home-viewing experiences.

3. Growth of Regional and Niche Content:

- The demand for regional content will continue to grow, with content providers increasingly focusing on languages and stories that resonate with local audiences. This will further diversify the types of content available on both digital platforms and in cinemas.
- There will be a push for niche genres, such as period films, horror, thriller, and science fiction, gaining more traction with audiences both on TV and digital platforms.

4. Sports and Live Events:

- The growing popularity of sports content, especially cricket, will drive significant viewership in FY 2026-27. With global and regional sports events like the Olympics and Indian Premier League (IPL), the media rights market will continue to flourish.

5. Technological Innovations:

- The rise of artificial intelligence (AI) and machine learning (ML) in content creation, curation, and distribution will play a key role in personalized recommendations, enhancing user experience, and improving the efficiency of content production.
- **Blockchain** and NFTs could emerge as disruptive technologies in the M&E industry, especially in areas like content rights management and collectibles.

6. Content Monetization Strategies:

- OTT platforms will continue to refine their subscription models and advertising strategies, exploring hybrid models such as SVOD-AVOD combinations. Greater personalization and data-driven content will lead to higher engagement and revenue.
- Traditional media (television and print) will continue to adapt by investing in digital transformation,

creating cross-platform experiences and synergies with OTT and social media platforms.

Conclusion

The Indian Media and Entertainment industry is poised for continued growth in FY 2026-27, driven by strong digital & AI adoption, the diversification of content, and the increasing importance of regional and niche content. While challenges such as inflation, regulatory changes, and the evolving competitive landscape remain, opportunities in digital platforms, cinema, and live sports will drive long-term growth. As the industry embraces technological advancements and hybrid business models, it will further cement its position as one of India's most dynamic sectors.

Digital Media Segment

The **Digital Media** segment in India continued its growth trajectory in FY 2025-26, driven by increasing internet penetration, evolving consumer behaviour, and the continued rise of online content consumption across various platforms. Key factors such as **OTT platforms**, **social media**, **digital advertising**, and **e-commerce** contributed significantly to the sector's expansion.

1. OTT and Streaming Services

- The OTT (Over-the-Top) video streaming market saw strong growth in FY 2025-26, driven by the increasing adoption of digital platforms across urban and rural regions.
- Major players like Netflix, Amazon Prime Video, Disney+ Hotstar, and regional platforms saw growth in both subscriptions and viewership. The demand for regional content surged, with platforms increasingly focusing on local languages and culturally relevant programming.
- The introduction of AVOD (Advertising-based Video on Demand) models by some OTT platforms helped attract a broader audience, especially in Tier-2 and Tier-3 cities.

2. Social Media and Digital Content Creation

- Social media platforms like Instagram, YouTube, Facebook, and Twitter (now X) experienced continued engagement growth, with content creators, influencers, and brands leveraging these platforms for targeted communication and monetization.
- **User-generated content** (UGC) became increasingly central to the digital media ecosystem, with short-form video platforms like Instagram Reels, YouTube Shorts, and TikTok alternatives driving engagement, especially among Gen Z and millennial audiences.
- Influencer marketing continued to grow as brands increasingly collaborated with micro, macro, and celebrity influencers to reach more targeted consumer segments.

3. Digital Advertising

- **Digital advertising** in India saw rapid growth, driven by the increasing consumption of digital media across mobile devices and personal computers. The rise in e-commerce, OTT, and

social media spending contributed significantly to the overall increase in ad spends.

- **Video ads**, native ads, and social media advertising became the most popular formats, with advertisers shifting a larger portion of their budgets from traditional TV and print to digital platforms.
- **Programmatic advertising** and data-driven marketing gained prominence, allowing brands to personalize ads and deliver targeted campaigns to the right audience based on demographics, interests, and behaviour.

4. Challenges in the Digital Media Segment

- **Regulatory Uncertainty:** The Indian government continued to scrutinize digital platforms, including OTT services and social media, regarding content moderation, data privacy, and consumer protection. Potential changes in content regulations could impact the way platforms operate.
- **Ad Spend Competition:** Digital platforms faced competition for ad dollars from traditional media, and the growing advertising saturation on social platforms and OTT services led to rising costs for advertisers.
- **Content Fragmentation:** The increasing number of platforms and content choices created challenges for both consumers (in terms of subscription overload) and content creators (who needed to diversify content for multiple platforms).

5. Outlook for FY 2026-27

- The Digital Media segment is expected to continue its upward trajectory, with continued growth in OTT streaming, social media, digital advertising, and e-commerce.
- Innovations in short-form content, immersive media (AR/VR), and the integration of AI-driven personalization are expected to shape the future of digital media.
- Despite challenges in monetization, digital platforms will increasingly adopt hybrid models, combining subscriptions with ads to create a more balanced revenue structure.

Conclusion

The digital media segment in India experienced a highly positive performance in FY 2025-26, driven by the expanding consumption of digital content, increased ad spending, and the growing influence of social media platforms. As the industry moves into FY 2026-27, opportunities for growth remain strong, particularly in regional content, e-commerce integration, and new technologies like AI and immersive media. However, platforms will need to navigate regulatory challenges and competition for ad revenues to sustain growth in the coming years.

Company Overview

Eros International Media Limited (Eros International) is a leading global Company in the Indian filmed and digital Entertainment Industry which co-produces, acquires and distributes Indian language films in multiple formats worldwide. The success is built on the relationships we

MANAGEMENT DISCUSSION & ANALYSIS REPORT

have cultivated over the past 42 years with leading talent, production companies, exhibitors and other key participants in our industry. Leveraging these relationships, we have aggregated rights of numerous films in our library, including recent and classic titles that span different genres, budgets and languages. We have a portfolio of numerous films. Film distribution across theatrical, overseas and television and other channels along with library monetization provide us with diversified revenue streams. In addition, Eros International produces and acquires content for Eros Now, OTT entertainment service. Launched in 2012, Eros Now has digital rights of various films, out of which many films are owned in perpetuity, across Hindi and regional languages from Eros' internal library, as well as third-party aggregated content.

Your Company's key asset is a film library of huge number of films. In an effort to reach a wide range of audiences, we maintain rights to a diverse portfolio of films spanning various genres, generations and languages. These include rights to films in Hindi and several regional languages, Tamil, Telugu, Kannada, Marathi, Gujarati, Bengali, Malayalam and Punjabi. We have strong operational focus in syndication and monetization of these film and Music Rights as part of our business development and operations.

Post COVID-19, your Company had challenges in completing projects for releasing its films on account of significant cashflow challenges leading to deferment of planned film slate. This impacted the revenue and profitability of the Company during financial year 2025-26, and your Company was forced to evaluate strategic assets sale of its rights to a third party. The consequent reduction of Bank debt and liquidity in the balances is expected to allow your Company to recommence production on its previously planned film slate.

The Company has also initiated formulating innovative ways of updating its existing content libraries. Given a rise in demand for content and increasing viewership on OTT platforms, coupled with the limited production of new content, existing library content is likely to become more valuable. Moreover, once normalcy resumes, owing to pent-up demand, the M&E sector may be one of the first sectors of the economy to see a revival, and Eros International is well-prepared with its large existing content library, to take advantage of any digital opportunities that exist, in the meantime.

Your Company is hopeful about sailing through the current situation successfully and coming out on the other end. In order to do this, it is working on innovative ways of earning revenue and strengthening its value proposition, thus re-inventing itself, and further fortifying its position.

Opportunities and Threats:

Opportunities:

Film Making and Distribution:

Technological Innovations and localization of content makings will reduce the cost of production .

AI Digitization & Partnerships:

Innovative digitization and strategic international partnerships can take this sector to higher level.

Regional Contents are growing. Such contents can increase the viewership.

Threats:

Regulatory issues:

Local and Central government's intervention in freedom of content creators

Global Players' aggression in variety of contents in local languages.

Geo-political and Tariff issues may hinder the growth of M&E sector.

Innovations in Contents may affect the fresh contents.

Strategic Overview

Our strategy is driven by the scale and variety of our content and the global exploitation of that content through diversified channels. Specifically, we intend to pursue the following strategies:

- Scaling up productions, co-productions and acquisitions to augment our film library and original digital content
- Expand our regional content offerings
- Effectively monetize our strong film library across various platforms
- Create compelling content for Eros Now, OTT entertainment service
- Capitalize on the highly attractive market opportunity driven by secular tailwinds

Risk Management

The Risk Management framework includes Risk Management Policy and identification of risks at Company Level, Strategic Level and Operational level. The risk mitigation procedures associated with the business and prioritization of risks include scanning the business environment and having periodic risk review.

The risks associated with the Company's businesses are broadly classified in following categories:

- **Environmental Risk:** Due to the adverse impact of POST COVID-19, the Company may suffer losses but it can restrict the losses as COVID-19 has been controlled.
- **Economic Risk:** Due to adverse geopolitical situations and tariff war or downturn which may negatively impact the Company's organizational objectives.

Internal Control Systems and their Adequacy

The Company has adequate internal controls required in the nature of its business and operations. The company can safeguard its assets and financial transactions with adequate checks and balances, while adhering to accounting policies. Systems are reviewed and improved regularly. With the Company's budgetary control system, it monitors revenue and expenditure with actual vs. approved budget. The Company has engaged an independent firm of Chartered Accountants as its Internal Auditor which monitors and assesses the adequacy and effectiveness of the Internal Controls and Systems. Deviations from standard operating procedures are periodically reviewed and compliances are ensured.

The summary of the internal audit observations and status of implementation are submitted to the Audit Committee every quarter for its review and concerns, if any, are reported to the Board. The statutory auditors review the efficacy and adequacy of the internal audit function as a part of their audit procedures and has full access to all the reports and findings of the internal audit.

Human Resource

The Company believes that it has an excellent talent pool. This talent pool is the key to our sustained performance and improvement initiatives. The Company has a diverse

employee base with technical knowledge and functional expertise. This helps to deliver the stipulated target. Performance is valued as an essential tool to accomplish vision, mission and objectives. The Company's 'Human Capital' headcount stands at 58 as on 31 March, 2026.

Outlook

The Media and Entertainment industry will continue to adjust business models to cater to a paradigm change in consumer preferences through deep customer understanding and strong engagement. The sector will witness integration of all four formats viz video, experiential, textual and audio to offer differentiated products in an omnichannel driven business model. The industry is also likely to witness consolidation and mergers, especially with the mid and low companies, to maintain a going concern and achieve scale. Operating priorities will be guided by leveraging the end customer data to reveal powerful insights, bringing efficiency in customer acquisition costs through precision monitoring and reducing the turnaround time for new product development. The M&E industry will have to leverage the opportunities in regional markets, growth in digital infrastructure and monetization strategies by investing in content, marketing and technology.

The pandemic has made the Company re-strategize operational and legal aspects of the business, such as project timelines, production costs and schedules. The Company has a large content library, of its own as well as on its group OTT platform Eros Now, and with the rise in new content consumption patterns, its existing content is becoming more valuable.

We expect the resumption of normalcy to be marked by the recovery of the sector and provide all the players in the M&E space, across mediums and segments, a much-needed boost and the Company is well prepared with its existing huge content library to exploit any and all digital opportunities that come its way in the meantime.

Cautionary Statements

3. OPERATIONAL PERFORMANCE

We continue as a global company in the Indian film entertainment industry that co-produces, acquires and distributes Indian language films in multiple formats worldwide. We have a multiplatform business model and derive revenues from multiple distribution channels.

Our content strategy leverages on multi-verse unique IP development, high concept, new talent films, franchises and multilanguage co-productions. The Indian audience's propensity to consume content in local language has been increasing, and in recent times regional films are breaking language barriers as they cross over with dubbed versions to other markets especially the Hindi market. The regional industry also has strong releases in the next year and the market is only expected to expand further.

Our Company's key asset is a film library of over huge number of films. In an effort to reach a wide range of audiences, we maintain rights to a diverse portfolio of films spanning various genres, generations and languages. These include rights to films in Hindi and several regional languages, Tamil, Telugu, Kannada, Marathi, Gujarati, Bengali, Malayalam and Punjabi. We have strong operational focus in syndication and monetization of these film and Music Rights as part of our business development and operations.

Key highlights of above transaction are as follows:

- Expected near-term revenue growth and significant reduction in net debt.
- Market Opportunities with large Content library and two main verticals: Studio, Digital and Music.

Though financial Results have been declared in time for F.Y. 2025-26 but we were facing some unprecedented technical difficulties with our financial accounting system. As a result of the same, our staff and statutory auditors are incapacitated and unable to generate the requisite information for finalization of accounts for first two quarters of FY25-26 and FY 24-25 within the stipulated timelines. This resulted in suspension of trading w.e.f. 13th December 2024.

SEBI Show Cause Matter

The Company received an Interim Ex-Parte Order dated June 22, 2023, from the Securities and Exchange Board of India ("SEBI") ("Interim Ex-Parte Order") levelling certain allegations and imposing certain restrictions on the company and some of its Directors. The company filed an appeal against the Interim Ex-Parte Order before the Securities Appellate Tribunal ("Hon'ble SAT") and by an order dated August 22, 2023, the Hon'ble SAT without going into the merits of the said appeal directed the company to file its reply along with an application for vacating the Interim Ex-Parte Order

before SEBI. The company filed its reply as per the directions of the Hon'ble SAT. On October 13, 2023, SEBI passed an order confirming the Interim Ex-Parte Order ("Confirmatory Order"). The Confirmatory Order also stipulated that the investigation by SEBI shall be completed within a period of 6 months from the date of the Confirmatory Order.

On November 27, 2023, the company filed an appeal with the Hon'ble SAT against the Confirmatory Order and sought stay of the implementation and enforcement of the Confirmatory Order passed by SEBI as well as seeking directions against SEBI from taking any coercive steps against the company. On June 28, 2024, the Hon'ble SAT disposed of company's appeal by directing SEBI to issue a show cause notice within an outer period of 3 weeks and also directed adjudication of the same within 5 months of the receipt of a reply from the company. A Show Cause Notice dated July 16, 2024, was received by the company on July 18, 2024 ("SCN"). The company is seeking information, clarifications and documents in relation to the SCN from SEBI as well as exploring legal recourses available with it against the SCN.

As on date, while the Company continues to comply with the directions passed by SEBI in its Interim Ex-Parte Order and Confirmatory Order, it has filed an appeal before the Securities Appellate Tribunal (SAT) against SEBI's deliberate inaction with regard to disclosure of materials relied on in the SCN on May 08, 2025. The appeal was heard on June 24, 2025, wherein the Hon'ble SAT ordered SEBI to file its reply within three weeks and the Company to file a rejoinder within two weeks thereafter and also directed that no further steps shall be taken until the next date of hearing. SEBI has filed its reply along with an application for condonation of delay, and the Company has filed its rejoinder thereto. The matter is listed for further hearing on 17th August 2026.

Pending filing of the reply to the SCNs and finalization of the proceedings, the impact, if any, on the financial results for the period ended March 31, 2026, is presently not ascertainable. While uncertainty exists regarding outcome of the proceedings, the Company after considering all available information and facts as of date, has not identified the need for any adjustments.

Annual Evaluation of Board, its Committees and Individual Directors

The Company has devised a Policy for performance evaluation of the Board, its Committees and other individual Directors (including Independent Directors) which includes criteria for Performance Evaluation of the Non-Executive Directors and Executive Directors. The evaluation process inter alia considers attendance of Directors at Board and Committee Meetings, acquaintance with business, communicating inter se Board Members, effective participation, domain knowledge, compliance with code of conduct, vision and strategy, benchmarks established by global peers, etc., which is in compliance with applicable laws, regulations and guidelines.

The Board carried out annual evaluation of the performance of the Board, its Committees and Individual Directors and Chairman. The Chairman of the respective Board Committees shared the report on evaluation with the respective Committee Members.

The performance of each Committee was evaluated by the Board, based on report on evaluation received from respective Board Committees. The reports on performance evaluation of the individual directors were reviewed by the Chairman of the Board.

Familiarization Programme for Independent Directors

Familiarization Programme for Independent Directors is mentioned at length in Corporate Governance Report attached to this Report and the details of the same have also been disclosed on the website of the Company at www.erosmediaworld.com.

Policy on appointment and remuneration and other details of directors

The remuneration paid to the Directors is in line with the Nomination and Remuneration Policy formulated in accordance with Section 178 of the Act and Regulation 19 of the SEBI Listing Regulations (including any statutory modification(s) or re-enactment(s) thereof for the time being in force).

The Company's policy on directors' appointment and remuneration and other matters as provided in Section 178(3) of the Act has been disclosed in the Corporate Governance Report, which forms part of this Report.

A detailed statement of disclosure required to be made in accordance with the Nomination and Remuneration Policy of the Company, disclosures as

per the Act and applicable Rules thereto is attached to this Report as **Annexure B** hereto and forms part of this Report.

9. AUDITORS & AUDITORS' REPORT

Statutory Auditors

At the 28th Annual General Meeting of the Company, the Members approved the appointment of M/s. Haribhakti & Co. LLP, Chartered Accountants (Firm Registration No. 103523W/W100048) as the Statutory Auditors of the Company, to hold office for a period of 5 (five) years from the 28th Annual General Meeting of the Company till the conclusion of the 33rd Annual General Meeting of the Company, in terms of the applicable provisions of Section 139(1) of the Act read with the Companies (Audit and Auditors) Rules, 2014.

Auditors' Report

The report given by Haribhakti & Co. LLP, Chartered Accountants, Statutory Auditors on financial statements of the Company for FY26 is part of the Annual Report. The Statutory Auditors have qualified the Standalone and Consolidated Financials of the Company in their Statutory Audit Report. The explanations or comments by the Board on the Statutory Audit qualifications pursuant to Section 134(3)(f) of the Act and SEBI Listing Regulations are as follows:

On Standalone Financials:

Qualification	Explanation
As stated in Note 51 to the Statement, the Company has long overdue trade receivables from group entities, amounting to ₹ 16,688 Lakhs (net of payable of ₹ 32,124 Lakhs) from Eros Worldwide FZE (formerly known as Eros Worldwide FZ LLC) ("EWW"), ₹ 8,184 Lakhs (net of payable of ₹ 362 Lakhs) from Eros International Limited UK and ₹ 3,566 Lakhs from Eros International USA Inc. As stated in the said Note, considering the financial position and performance of the aforesaid entities, the Company has made the overall provision of ₹ 28,438 Lakhs against the net debit balance on account of expected credit loss as on March 31, 2026. Further, the Company has filed application with Reserve Bank of India ("RBI") through Authorized Dealers to condone the delay and not to charge any fine or penalty for delay in realization of outstanding export invoices as also setting off trade payables against trade receivables and permit net remittance due from EWW ₹ 16,688 Lakhs. Pending outcome of the above, the financial impact, if any, on the Statement for the year ended March 31, 2026 is currently not ascertainable.	The parent company of aforesaid entities i.e. Eros Media World PLC is committed to continue to support these entities. Further, based on the future business plan of EWW, management is confident of recovery of above dues. During the year, considering the financial position and performance of the aforesaid entities, the company has made overall provisions of Rs. 28,438 Lakhs for net debit balance for expected credit loss on prudence basis.
As stated in Note 53 to the Statement, the Securities and Exchange Board of India ("SEBI") has passed Interim Ex-Parte order dated June 22, 2023 and thereafter Confirmatory Order dated October 13, 2023 against which an appeal was filed by the Company with Securities Appellate Tribunal ("SAT"), which was disposed-off with the direction for SEBI to issue Show Cause Notice ("SCN") and to complete investigation in stipulated period of time. The Company is in the process of responding to the SCN after seeking information from SEBI. Content advances as on March 31, 2026 includes those given to certain parties and aggregating to ₹ 1,01,601 Lakhs (₹ Nil Lakhs, net of impairment and write-off) which are subject matter of scrutiny and investigation by SEBI along with other matters as mentioned in the aforesaid Confirmatory Order. Pending completion of proceedings and investigation, we are unable to comment on the possible consequential effects thereof, if any, on the Statement for the year ended March 31, 2026.	As on date, the Company continues to comply with the directions passed by SEBI in its Interim Ex-Parte Order and Confirmatory Order. Pending filing of the reply to the SCNs and finalization of the proceedings, the impact, if any, on the standalone financial results for the year ended March 31, 2026, is presently not ascertainable. While uncertainty exists regarding outcome of the proceedings, the Company after considering all available information and facts as of date, has not identified the need for any adjustments.

On Consolidated Financials:

Qualification	Explanation
As stated in Note 53 to the Statement, the Holding Company has long overdue trade receivables from group entities, amounting to ₹ 16,688 Lakhs (net of payable of ₹ 32,124 Lakhs) from Eros Worldwide FZE (formerly known as Eros Worldwide FZ LLC) ("EWW"), ₹ 8,184 Lakhs (net of payable of ₹ 362 Lakhs) from Eros International Limited UK and ₹ 3,566 Lakhs from Eros International USA Inc. As stated in the said Note, considering the financial position and performance of the aforesaid entities, the Holding Company has made the overall provision of ₹ 28,438 Lakhs against the net debit balance on account of expected credit loss as on March 31, 2026. Further, the Holding Company has filed application with Reserve Bank of India ("RBI") through Authorized Dealers to condone the delay and not to charge any fine or penalty for delay in realization of outstanding export invoices as also setting off trade payables against trade receivables and permit net remittance due from EWW ₹ 16,688 Lakhs. Pending outcome of the above, the financial impact, if any, on the Statement for the year ended March 31, 2026 is currently not ascertainable.	The parent company of aforesaid entities i.e. Eros Media World PLC is committed to continue to support these entities. Further, based on the future business plan of EWW, management is confident of recovery of above dues. During the year, considering the financial position and performance of the aforesaid entities, the company has made overall provisions of Rs. 28,438 Lakhs for net debit balance for expected credit loss on prudence basis.
As stated in Note 51 to the Statement, since the Holding Company does not have access to the financial statement of one of the subsidiary company for the reasons stated in the said Note, the said subsidiary company has not been considered for consolidation in the attached Statement. On account of non-availability of financial statement of the subsidiary company, we are unable to obtain sufficient appropriate audit evidence for compliance with provisions of Ind AS 110 'Consolidated financial statements' and Regulation 33 of the Listing Regulations. Consequently, we are unable to determine the impact of such non-compliance on the loss, earnings per share for the year ended March 31, 2026 and the investment in subsidiary, reserves and surplus as at March 31, 2026.	Management has concluded that, in the absence of reliable financial information, consolidation of CYPPL could not be carried out without compromising the integrity and reliability of the Group's consolidated financial statements. Accordingly, necessary adjustments has been given in the Other Equity and Non-controlling Interests.
As stated in Note 47 to the Statement, the Securities and Exchange Board of India ("SEBI") has passed Interim Ex-Parte order dated June 22, 2023 and thereafter Confirmatory Order dated October 13, 2023 against which an appeal was filed by the Holding Company with Securities Appellate Tribunal ("SAT"), which was disposed-off with the direction for SEBI to issue Show Cause Notice ("SCN") and to complete investigation in stipulated period of time. The Holding Company is in the process of responding to the SCN after seeking information from SEBI. Content advances as on March 31, 2026 includes those given to certain parties and aggregating to ₹ 1,01,601 Lakhs (₹ Nil Lakhs, net of impairment and write-off) which are subject matter of scrutiny and investigation by SEBI along with other matters as mentioned in the aforesaid Confirmatory Order. Pending completion of proceedings and investigation, we are unable to comment on the possible consequential effects thereof, if any, on the Statement for the year ended March 31, 2026.	As on date, the Company continues to comply with the directions passed by SEBI in its Interim Ex-Parte Order and Confirmatory Order. Pending filing of the reply to the SCNs and finalization of the proceedings, the impact, if any, on the standalone financial results for the year ended March 31, 2026, is presently not ascertainable. While uncertainty exists regarding outcome of the proceedings, the Company after considering all available information and facts as of date, has not identified the need for any adjustments.

FORM NO. MR-3 SECRETARIAL AUDIT REPORT

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

Secretarial Audit Report For the Financial Year ended 31st March 2026

To,
The Members,

Eros International Media Limited,

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Eros International Media Limited** (hereinafter called the **Company**).

Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ Statutory Compliances and expressing my opinion thereon.

Based on our verification of the Company's Books, Papers, Minute Books, Forms and Returns filed and other records maintained by the Company and also the information provided by the Company, its Officers, Agents and Authorized Representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on 31st March, 2026 has complied with the Statutory provisions listed hereunder and also that the Company has proper Board processes and Compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the Books, Papers, Minute Books, Forms and Returns filed and other Records maintained by the Company for the Financial Year ended on 31st March, 2026 according to the provisions of:

- (1) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (2) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (3) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (4) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings **(External Commercial Borrowing not applicable during the audit period);**
- (5) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 and Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (Not applicable to the Company during the audit period);
 - d. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - e. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - f. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999.

I have examined all the other applicable laws to the Company on the basis of the representations made by the Management.

I have also examined compliance with the applicable clauses of the following:

- a) Secretarial Standards issued by The Institute of Company Secretaries of India;
- b) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All the decisions were carried out unanimously by the Members of the Board and Committees and the same were duly recorded in the Minutes of the Meeting of the Board of Directors and Committees of the Company.

I further report that there are adequate systems and processes in the company to commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that there were no instances of:

- i. Public / Rights / Preferential issue of shares/ debentures / sweat equity.
- ii. Buy-Back of securities.
- iii. Merger / amalgamation / reconstruction etc
- iv. Foreign technical collaborations

I further report that during the year under review the Company has:

1. There was delay in filing of SHP return for quarter ended 30th June 2025.
2. There was delay in filing of Reconciliation of Share Capital Audit List for quarter ended 30th June 2025.
3. There was delay in filing of Financial Statements for quarter ended 31st March 2025; 30th June 2025 & 30th September 2025.
4. There was delay in filing of Integrated Governance for quarter ended 30th June 2025.
5. The Company received an Interim Ex-Parte Order dated June 22, 2023, from the Securities and Exchange Board of India ("SEBI") ("Interim Ex-Parte Order") levelling certain allegations and imposing certain restrictions on the company and some of its Directors. The company filed an appeal against the Interim Ex-Parte Order before the Securities Appellate Tribunal ("Hon'ble SAT") and by an order dated August 22, 2023, the Hon'ble SAT without going into the merits of the said appeal directed the company to file its reply along with an application for vacating the Interim Ex-Parte Order before SEBI. The company filed its reply as per the directions of the Hon'ble SAT. On October 13, 2023, SEBI passed an order confirming the Interim Ex-Parte Order ("Confirmatory Order"). The Confirmatory Order also stipulated that the investigation by SEBI shall be completed within a period of 6 months from the date of the Confirmatory Order.

On November 27, 2023, the company filed an appeal with the Hon'ble SAT against the Confirmatory Order and sought stay of the implementation and enforcement of the Confirmatory Order passed by SEBI as well as seeking directions against SEBI from taking any coercive steps against the company. On June 28, 2024, the Hon'ble SAT disposed of company's appeal by directing SEBI to issue a show cause notice within an outer period of 3 weeks and also directed adjudication of the same within 5 months of the receipt of a reply from the company. A Show Cause Notice dated July 16, 2024, was received by the company on July 18, 2024 ("SCN"). The company is seeking information, clarifications and documents in relation to the SCN from SEBI as well as exploring legal recourses available with it against the SCN.

As on date, while the Company continues to comply with the directions passed by SEBI in its Interim Ex-Parte Order and Confirmatory Order, it has filed an appeal before the Securities Appellate Tribunal (SAT) against SEBI's deliberate inaction with regard to disclosure of materials relied on in the SCN on May 08, 2025. The appeal was heard on June 24, 2025, wherein the Hon'ble SAT ordered SEBI to file its reply within three weeks and the Company to file a rejoinder within two weeks thereafter and also directed that no further steps shall be taken until the next date of hearing. SEBI has filed its reply along with an application for condonation of delay, and the Company has filed its rejoinder thereto. The matter is listed for further hearing on 10th June 2026.

Pending final disposal of the proceedings and filing/adjudication of replies to the SCN, the impact, if any, on the financial results for the period ended March 31, 2026, is presently not ascertainable. While uncertainty exists regarding outcome of the proceedings, the Company after considering all available information and facts as of date, has not identified the need for any adjustments.

6. During the year, Mr. Pradeep Dwivedi continued his position in Eros. Mr. Sagar Sadhwani (DIN: 03559502), resigned as Non-Executive Non-Independent Director of the Company w.e.f 12th December 2025. Mr. Anand Shankar Kamtam (DIN: 02942810) was appointed as an Additional Executive Director w.e.f. 12th December 2025 and was appointed as Director as w.e.f. 09th March 2026. Mr. Vijay Gulab Chand (DIN: 11425232) was appointed as an Additional Non-Executive Non-Independent Director w.e.f. 12th December 2025 and was appointed as Non-Executive Non-Independent Director as w.e.f. 09th March 2026.
7. During the year under review, the Company has obtained approval of members through Postal Ballot by way of ordinary / special resolution for (a) Appointment of Mr. Anand Shankar Kamtam (DIN: 02942810) as a Director of the Company (b) Appointment of Mr. Vijay Gulab Chand (DIN: 11425232) as a Director of the Company (c) Change in the name of the Company from "Eros International Media Limited" to "Eros Media Technologies Limited" for which further process is yet to be implemented by the Company.
8. I further report that the Company has received letter(s) from National Stock Exchange of India Limited ("NSE") for clarification with respect to various submissions made to Exchanges to which Company has timely submitted its reply to NSE and no further clarifications were received from NSE.

CORPORATE GOVERNANCE REPORT

THE COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

The Company considers fair and transparent corporate governance as one of its core management tenets. Corporate Governance may be defined as a set of systems, policies, processes, and principles which ensures that a company is governed in the best interest of all the stakeholders. It is the system by which companies are directed, administered, controlled and managed. Good governance is about promoting corporate fairness, transparency and accountability.

We strongly believe in the practice of conducting our business activities in a fair, direct and completely transparent manner that will not only benefit the Company but more importantly will ensure the highest level of accountability and trust for all our stakeholders such as shareholders, our employees and our partners. The timely disclosures, transparent accounting policies and a strong and independent Board go a long way in maintaining good corporate governance, preserving shareholders' trust and maximizing long term corporate value.

We, at Eros International Media Limited, continuously strive at improving and adhering to the good governance practice. The Company has adopted best practices mandated in SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, as amended (hereinafter referred to as the "SEBI Listing Regulations").

Standalone Financial Statements

INDEPENDENT AUDITOR'S REPORT

To the Members of

Eros International Media Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial statements of **Eros International Media Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the standalone financial statements including a summary of material accounting policy information and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, of the state of affairs of the Company as at March 31, 2026, its loss (including other comprehensive income), its changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

We draw attention to the following matters in the notes to the standalone financial statements:

- a) As stated in Note 51 to the standalone financial statements, the Company has long overdue trade receivables from group entities, amounting to ₹ 16,688 Lakhs (net of payable of ₹ 32,124 Lakhs) from Eros Worldwide FZE (formerly known as Eros Worldwide FZ LLC) ("EWW"), ₹ 8,184 Lakhs (net of payable of ₹ 362 Lakhs) from Eros International Limited UK and ₹ 3,566 Lakhs from Eros International USA Inc. As stated in the said Note, considering the financial position and performance of the aforesaid entities, the Company has made the overall provision of ₹ 28,438 Lakhs for net trade receivables for expected credit loss as on March 31, 2026.

Further, the Company has filed application with Reserve Bank of India ("RBI") through Authorized Dealers to condone the delay and not to charge any fine or penalty for delay in realization of outstanding export invoices as also setting off trade payables against trade receivables and permit net remittance due from EWW ₹ 16,688 Lakhs.

Pending outcome of the above, the financial impact, if any, on the standalone financial statements for the year ended March 31, 2026 is currently not ascertainable.

- b) As stated in Note 53 to the standalone financial statements, the Securities and Exchange Board of India ("SEBI") has passed Interim Ex-Parte order dated June 22, 2023 and thereafter Confirmatory Order dated October 13, 2023 against which an appeal was filed by the Company with Securities Appellate Tribunal ("SAT"), which was disposed-off with the direction for SEBI to issue Show Cause Notice ("SCN") and to complete investigation in stipulated period of time. The Company

is in the process of responding to the SCN after seeking information from SEBI.

Content advances as on March 31, 2026 include those given to certain parties and aggregating to ₹ 1,01,601 Lakhs (₹ Nil Lakhs, net of impairment and write-off) which are subject matter of scrutiny and investigation by SEBI along with other matters as mentioned in the aforesaid Confirmatory Order.

Pending completion of proceedings and investigation, we are unable to comment on the possible consequential effects thereof, if any, on the standalone financial statements for the year ended March 31, 2026.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the standalone financial statements.

Material Uncertainty Related to Going Concern

We draw attention to Note 52 to the standalone financial statements, which indicates that the Company has incurred a net loss before tax of ₹ 10,035 Lakhs for the year ended March 31, 2026 and its net worth has eroded entirely. Further, its current liabilities exceed current assets as at the year end. These events or conditions, along with other matters as set forth in Note 52, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. The assumption of going concern is dependent on the ability of the Company to raise funds through monetization of its film/music library rights as well as its noncore assets, mobilization of additional funds through recovery of dues from its group entities and other strategic initiatives. However, for the reasons stated in Note 52, the standalone financial statements has been prepared on the basis of going concern.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Except for the matters described in the basis for Qualified Opinion section and Material Uncertainty Related to Going Concern section above, we have determined that there are no other key audit matters to communicate in our report.

Other information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report, but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon. The Director's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information

identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Director's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable in the applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)

(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we report in "Annexure 1", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (2) As required by section 143(3) of the Act, we report that:
 - a. We have sought and except for the matters described in the Basis for Qualified Opinion section above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. Except for the effects of the matters described in the Basis for Qualified Opinion section above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the

Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account;

- d. Except for the effects of the matters described in the Basis for Qualified Opinion section above, in our opinion, the aforesaid standalone financial statements comply with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e. The matters described under the Basis for Qualified Opinion and Material Uncertainty Related to Going Concern section above, in our opinion, may have an adverse effect on the functioning of the Company;
- f. On the basis of the written representations received from the directors as on March 31, 2026, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of section 164(2) of the Act;
- g. The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph (2)(j)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
- h. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure 2";
- i. With respect to the other matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, no remuneration is paid / provided by the Company to its directors except to directors covered under proviso (a) to section 197(4) of the Act;

- j. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 39 to the standalone financial statements on Contingent Liabilities;
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
 - (iv) (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share

premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (iv) (b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (iv) (c) Based on the audit procedures that are considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement;
- (v) The Company has not declared nor paid any dividend during the year. Hence, reporting the compliance with section 123 of the Act is not applicable;
- (vi) Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention, except for the period of June 2024 to August 2024.

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section in the Independent Auditor's Report of even date to the members of EROS International Media Limited ("the Company") on the standalone financial statements for the year ended March 31, 2026]

Based on the audit procedures performed for the purpose of reporting a true and fair view on the standalone financial statements of the Company and taking into consideration the information, explanations and written representation given to us by the management and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (a) (B) The Company has maintained proper records showing full particulars of Intangible Assets.
- (b) During the year, the Property, Plant and Equipment of the Company have not been physically verified by the management and as such, we cannot comment on material discrepancies existing, if any. In our opinion, the frequency of verification is not reasonable having regard to the size of the Company and the nature of its assets.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of lessee), disclosed in the

standalone financial statements are held in the name of the Company.

- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and/or Intangible Assets during the year. Accordingly, reporting under clause (i)(d) of paragraph 3 of the Order is not applicable.
- (e) No proceedings have been initiated or are pending against the Company as at March 31, 2026 for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) Inventory in the nature of films cost where the company owns the rights are verified with reference to title documents/agreements. In our opinion, the coverage and procedure of such verification by the management is appropriate. No discrepancy were noticed on above mentioned verification. The balance of Inventory as at the year end is Nil on account of provision for slow moving inventory made by the Company.
- (b) The Company has not obtained any sanctioned working capital limit during the year, from banks and/or financial institutions, on the basis of security of current assets. Therefore, reporting under clause (ii)(b) of paragraph 3 of the Order is not applicable.
- (iii) (a) During the year, the Company has provided loans or provided advances in the nature of loans, or stood guarantee, or provided security to the following entities:

(₹ in lakhs)

Sr No	Particulars	Guarantees	Security	Loans	Advances in the nature of loans
1	Aggregate amount granted / provided during the year				
	- Subsidiaries	NIL	NIL	NIL	4
	- Joint Ventures	NIL	NIL	NIL	NIL
	- Associates	NIL	NIL	NIL	NIL
	- Others	NIL	NIL	NIL	NIL
2	Balance outstanding as at March 31, 2026 in respect of above cases (net of provision made)				
	- Subsidiaries	NIL	NIL	NIL	44
	- Joint Ventures	NIL	NIL	NIL	NIL
	- Associates	NIL	NIL	NIL	NIL
	- Others	NIL	NIL	80	NIL

- (b) The investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided by the Company during the year are not prejudicial to the interest of the Company.
- (c) The schedule of repayment of principal and payment of interest in respect of the loans and advances in the nature of loans have not been stipulated. Thus, we are unable to comment

whether the repayments or receipts during the year are regular and report amounts overdue for more than ninety days, if any, as required under clause (iii) (d) of paragraph 3 of the Order.

- (d) In respect of the aforesaid loans and advances in the nature of loans, no demand has been raised by the Company till date and hence reporting under clause (iii) (c) and (iii) (d) of paragraph 3 of the Order is not applicable.

- (e) There were no loans or advances in the nature of loan granted which has/have fallen due during the year, have been renewed or extended. Further, there were no instances of fresh loans being granted to settle the overdues of existing loans given to the same parties.
- (f) The Company has granted loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment. Details of the same are below:

(₹ in lakhs)

Particulars	All parties	Promoters	Related Parties	Remarks
Aggregate amount of loans/advances in nature of loan (net of provision made)				
- Repayable on demand (A)	NIL	NIL	44	
- Agreement does not specify any terms or period of repayment (B)	79	NIL	NIL	
Total (A+B)	79	NIL	44	
Percentage of loans / advances in nature of loan to the total loans	100%		56%	

- (iv) The Company has complied with the provisions of sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) In our opinion, the Company has not accepted any deposits or amounts which are deemed to be deposits. Accordingly, reporting under clause (v) of paragraph 3 of the Order is not applicable.
- (vi) The Central Government has not prescribed the maintenance of cost records for any of the products of the Company under sub-section (1) of section 148 of the Act and the rules framed there under.
- (vii) (a) The Company is not regular in depositing with the appropriate authorities, undisputed statutory dues including Goods and Services tax (GST), provident fund, employees' state insurance, income-tax, duty of customs, cess and any other material statutory dues applicable to it, and there have been serious delays in a large number of cases. During the year 2017-18, sales tax, value added tax, service tax and duty of excise subsumed in GST and are accordingly reported under GST.

No undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, GST, customs duty, cess and any other material statutory dues applicable to it, were outstanding, at the year end, for a period of more than six months from the date they became payable, except as follows:

Statement of Arrears of Statutory Dues Outstanding for More than Six Months:

(viii) We have not come across any transactions which were previously not recorded in the books of account of the Company that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

(ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company did not obtain any money by way of term loans during the year. Accordingly, reporting under clause (ix)(c) of paragraph 3 of the Order is not applicable.

(d) On an overall examination of the standalone financial statements of the Company, no funds raised on short-term basis have, been used for long-term purposes by the Company.

(e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, as defined under the Act.

(f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, as defined under the Act.

(x) (a) The Company has not raised money by way of initial public issue offer / further public offer (including debt instruments) during the year. Therefore, reporting under clause (x)(a) of paragraph 3 of the Order is not applicable.

(b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Therefore, reporting under clause (x)(b) of paragraph 3 of the Order is not applicable.

- (xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company nor any fraud on the Company has been noticed or reported during the year, nor have we been informed of any such instance by the management.

As referred in Note 53, the Company received an Interim Ex-Parte Order dated June 22, 2023 from the Securities and Exchange Board of India ("SEBI"), levelling certain allegations in respect of earlier period followed by a Confirmatory Order dated October 13, 2023. The Company had preferred an appeal with the Securities Appellate Tribunal ("SAT"), and pursuant to the order of the Hon'ble SAT, SEBI issued a Show Cause Notice ("SCN") dated July 16, 2024 and the Company is in the process of responding to the SCN after seeking information from SEBI.

- (b) No report under section 143(12) of the Act has been filed with the Central Government by the auditors of the Company in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, during the year or upto the date of this report.
- (c) There are no whistle blower complaints received by the Company during the year and upto the date of this report.
- (xii) In our opinion, the Company is not a Nidhi Company. Therefore, reporting under clause (xii) of paragraph 3 of the Order is not applicable.
- (xiii) All transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable, and the details have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the Internal Audit Reports of the Company issued till date, for the period under audit.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with them during the year and hence, provisions of section 192 of the Act are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, reporting under clause (xvi) (a) and (b) of paragraph 3 of the Order are not applicable.

- (b) The Company is not a Core Investment Company (CIC) as defined in Core Investment Companies (Reserve Bank) Directions, 2016 ("Directions") by the Reserve Bank of India. Accordingly, reporting under clause (xvi)(c) and (d) of paragraph 3 of the Order are not applicable.

- (c) As informed by the Company, the Group to which the Company belongs has no CIC as part of the Group.

- (xvii) The Company has incurred cash losses for the current financial year amounting to ₹ 1,541 Lakhs. However, the Company had not incurred cash losses in the immediately preceding financial year.

- (xviii) There has been no resignation of the statutory auditors during the year and accordingly, reporting under clause (xviii) of paragraph 3 of the Order is not applicable.

- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, we believe that material uncertainty exists as the Company has incurred a net loss of ₹ 10,035 Lakhs for the year ended March 31, 2026, there is an entire erosion of the net worth and its current liabilities exceed current assets as on the date of this audit report and due to which the Company may not be capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to date of the audit report. We further draw attention to paragraph 'Material Uncertainty in relation to Going Concern' in our main audit report of even date regarding the applicability of the going concern assumption.

- (xx) The provisions of section 135 of the Act are not applicable to the Company. Hence, reporting under clause (xx) of paragraph 3 of the Order is not applicable.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(h) under 'Report on Other Legal and Regulatory Requirements' section in our Independent Auditor's Report of even date to the members of EROS International Media Limited on the standalone financial statements for the year ended March 31, 2026]

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We were engaged to audit the internal financial controls with reference to financial statements of **Eros International Media Limited** ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the ICAI.

Because of the matter described in Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls with reference to financial statements of the Company.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide

reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Disclaimer of Opinion

The system of internal financial controls with reference to financial statements with regard to the Company were not made available to us to enable us to determine if the Company has established adequate internal financial controls with reference to financial statements and whether such internal financial controls were operating effectively as at March 31, 2026.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company, and the disclaimer does not affect our opinion on the standalone financial statements of the Company and we have issued a qualified opinion on the standalone financial statements.

Summary of Material Accounting Policies

and explanatory notes to the standalone financial statements

Corporate Information

Eros International Media Limited (the 'Company') was incorporated in India, under the Companies Act, 1956. The Company is a global player within the Indian media and entertainment industry and is primarily engaged in the business of film production, exploitation and distribution. It operates on a vertically integrated studio model controlling content as well as distribution and exploitation across multiple formats globally, including cinema, digital, home entertainment and television syndication. Its shares are listed on leading stock exchanges in India (BSE Scrip Code: 533261; NSE Scrip Code: EROSMEDIA).

These separate financial statements were authorised for issue in accordance with a resolution passed in the Board of Directors meeting held on 29 May 2026.

Statement of compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

Basis of preparation

The financial statements have been prepared on accrual basis of accounting using historical cost basis, except certain investment, Employee Stock Option Plan ('ESOP') Compensation and forward contracts are measured at fair value.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. The Company considers 12 months to be its normal operating cycle.

All values are rounded to the nearest rupees in Lakhs, except where otherwise indicated. Amount in zero (0) represents amount below One (1) Lakh.

1. Material accounting policies

a. Revenue recognition

Revenue from contracts are recognized only when the contract has been approved by the parties to the contract and creates enforceable rights and obligations.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services. Revenue do not include the taxes collected from the customer on behalf of taxing authorities. To ensure collectability of such consideration and financial stability of the counterparty, the Company performs certain standard Know Your Client (KYC) procedures based on their locations and evaluates trend of past collection.

Revenue is measured based on the transaction price, which is the consideration, adjusted for any discounts and incentives, if any, as specified in the contract with the customer. In case of variable consideration,

the Company estimates, at the contract inception, the amount to be received using the "most likely amount" approach, or the "expected value" approach, as appropriate. This amount is then included in the Company's estimate of the transaction price only if it is highly probable that a significant reversal of revenue will not occur once any uncertainty associated with the variable consideration is resolved. In making this assessment the Company considers its historical performance on similar contracts.

The Company recognises contract liabilities for consideration received in respect of unsatisfied performance obligations and reports these amounts as deferred revenue under other current liabilities in the balance sheet (see Note 29). Similarly, if the Company satisfies a performance obligation before it receives the consideration, the Company recognises either a contract asset or a receivable in its balance sheet, depending on whether something other than the passage of time is required before the consideration is due.

Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional. Generally, the credit period varies between 0-180 days from the shipment or delivery of goods or services as the case may be.

The transaction price, being the amount to which the Company expects to be entitled and has rights to under the contract is allocated to the identified performance obligations. The transaction price will also include an estimate of any variable consideration where the Company's performance may result in additional revenues based on the achievement of agreed targets.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the Company does not adjust any of the transaction prices for the time value of money.

The Company disaggregates revenue from contracts with customers by geography and nature of services.

The following additional criteria apply in respect of various revenue streams within filmed entertainment:

Theatrical - Contracted minimum guarantees are recognized on the theatrical release date. The Company's share of box office receipts in excess of the minimum guarantee is recognized at the point they are notified to the Company.

Television - In arrangements for television syndication, license fees received in advance which do not meet the revenue recognition criteria, including commencement of the availability for broadcast under the terms of the related licensing agreement, are included in contract liability until the criteria for recognition is met. Revenues from television licensing arrangements are recognized when the feature film or television program is delivered and the period for the

exploitation of rights has begun.

Other - DVD, CD and video distribution revenue is recognized on the date the product is delivered or if licensed in line with the above criteria. Provision is made for physical returns where applicable. Digital and ancillary media revenues are recognized at the earlier of when the content is accessed or declared. Visual effects, production and other fees for services rendered by the Company and overhead recharges are recognized in the period in which they are earned and in certain cases, the stage of production is used to determine the proportion recognized in the period.

Other income

Dividend income is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the effective interest rate applicable.

b. Property, plant and equipment and depreciation

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The cost of Property, Plant and Equipment comprises of its purchase price or construction cost, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and borrowing costs for assets that necessarily take a substantial period of time to get ready for their intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Capital Work-in-progress (CWIP) includes expenditure that is directly attributable to the acquisition/construction of assets, which are yet to be commissioned.

Depreciation is provided under written down value method at the rates and in the manner prescribed under Schedule II to the Companies Act, 2013. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Gains or losses arising from de-recognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is de-recognized.

c. Intangible assets

Intangible assets acquired by the Company are stated at cost less accumulated amortization less impairment loss, if any, (film production cost and content advances are transferred to film and content rights at the point at which content is first exploited).

Investments in films and associated rights, including acquired rights and distribution advances in respect of

completed films, are stated at cost less amortization less provision for impairment. Costs include production costs, overhead and capitalized interest costs net of any amounts received from third party investors. A charge is made to write down the cost of completed rights over the estimated useful lives, writing off more in year one which recognizes initial income flows and then the balance over a period of up to nine years, except where the asset is not yet available for exploitation. The average life of the assets is the lesser of 10 years or the remaining life of the content rights. The amortization charge is recognized in the statement of profit and loss within cost of sales. The determination of useful life is based upon Management's judgment and includes assumptions on the timing and future estimated revenues to be generated by these assets.

Intangible assets comprising film scripts and related costs are stated at cost less amortization less provision for impairment. The script costs are amortized over a period of 3 years on a straight-line basis and the amortization charge is recognized in the statement of profit and loss within cost of sales. The determination of useful life is based upon Management's estimate of the period over which the Company explores the possibility of making films using the script.

Other intangible assets, which comprise internally generated and acquired software used within the Entity's digital, home entertainment and internal accounting activities, are stated at cost less amortization less provision for impairment. A charge is made to write down the cost of software over the estimated useful lives except where the software is not yet available for use. The average life of the software is the lesser of 3 years or the remaining life of the software. The amortization charge is recognized in the statement of profit and loss.

d. Impairment of non-financial assets

At each reporting date, for the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units). As a result, some assets are tested individually for impairment and some are tested at the cash generating unit level. All individual assets or cash generating units are tested for impairment whenever events or changes in circumstances both internal and external indicate that the carrying amount may not be recoverable.

An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount which represents the greater of the net selling price of assets and their 'value in use'.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Film and content rights are stated at the lower of unamortized cost and estimated recoverable amounts. In accordance with Ind AS 36 Impairment of Assets, film content costs are assessed for indication of impairment on a library basis as the nature of the Company's business, the contracts it has in place and the markets it operates in do not yet make an ongoing individual film evaluation feasible with reasonable certainty. Impairment losses on content advances are recognized when film production does not seem viable and refund of the advance is not probable. Irrespective of existence of indicators of impairment, Company makes provision on Content Advances in accordance with the provisioning policy, such that, unadjusted advances are provided over a period of 3 to 5 years.

All assets are subsequently reassessed for indications that an impairment loss previously recognized may no longer exist.

e. Borrowing costs

The Company is capitalising borrowing costs that are directly attributable to the acquisition or construction of qualifying assets. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently stated at amortized costs with any difference between the proceeds (net of transaction costs) and the redemption value recognised in the income statement within Finance costs over the period of the borrowings using the effective interest method. Finance costs in respect of film productions and other assets which take a substantial period of time to get ready for use or for exploitation are capitalized as part of the assets. All other borrowing costs are recognized as expense in the period in which they are incurred and charged to the Statement of Profit and Loss.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

f. Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on risk exposure arising from financial assets like debt instruments measured at amortized cost e.g., trade receivables and deposits.

The Company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables or contract revenue receivables. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the

credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'Other income or other expenses' in the statement of profit and loss.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

g. Inventories

Inventories primarily comprise of music CDs and DVDs are valued at the lower of cost and net realizable value. Cost in respect of goods for resale is defined as all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost in respect of raw materials is purchase price.

Purchase price is assigned using a weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

h. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Company has a present legal or constructive obligation as a result of a past event, it is more likely than not that an outflow of

resources will be required to settle the obligations and can be reliably measured. Provisions are measured at Management's best estimate of the expenditure required to settle the obligations at the balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are not recognized in the financial statements but are disclosed by way of notes to accounts unless the possibility of an outflow of economic resources is considered remote.

Contingent assets are not recognized in financial statements. However, the same is disclosed, where an inflow of economic benefit is virtual.

i. Employee Benefits

Short term employee benefits obligations

Short-term employee benefits are recognized as an expense in the Statement of Profit and Loss for the year in which related services are rendered.

Post-employment benefits and other long-term employee benefits

Defined contribution plan

Provident fund & National Pension scheme: The Company's contributions paid or payable during the year to the provident fund, employee's state insurance corporation and National pension scheme are recognized in the Statement of Profit and Loss. This fund is administered by the respective Government authorities, and the Company has no further obligation beyond making its contribution, which is expensed in the year to which it pertains.

Defined benefit plan

Gratuity: The Company's liability towards gratuity is determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. The cost for past services is recognized on a straight-line basis over the average period until the amended benefits become vested. Re-measurement gains and losses are recognized immediately in the Other Comprehensive Income as income or expense and are not reclassified to profit or loss in subsequent periods. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

Compensated absences: Accumulated compensated absences are expected to be availed or encashed within 12 months from the end of the year and are treated as short-term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Employee stock option plan

In accordance with Ind AS 102 Share Based Payments, the fair value of shares or options granted is recognized as personnel costs with a corresponding increase in equity. The fair value is measured at the grant date and spread over the period during which the recipient becomes unconditionally entitled to payment unless forfeited or surrendered.

The fair value of share options granted is measured using the Black Scholes model, each taking into account the terms and conditions upon which the grants are made. At each Balance Sheet date, the Company revises its estimate of the number of equity instruments expected to vest as a result of non-market based vesting conditions. The amount recognized as an expense is adjusted to reflect the revised estimate of the number of equity instruments that are expected to become exercisable, with a corresponding adjustment to equity. The Company's share option plan does not feature any cash settlement option.

Upon exercise of share options, the proceeds received net of any directly attributable transaction costs up to the nominal value of the shares are allocated to equity share capital with any excess being recorded as securities premium.

j. Leases

The Company as a lessee:

The Company assesses, whether the contract is, or contains, a lease at the inception of the contract or upon the modification of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company at the commencement of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with a term of twelve months or less (short-term leases) and leases for which the underlying asset is of low value (low-value leases). For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, adjusted for any lease payments made at or prior to the commencement date of the lease, any initial direct costs incurred by the Company, any lease incentives received and expected costs for obligations to dismantle and remove right-of-use assets when they are no longer used.

Subsequently, the right-of-use assets is measured at cost less any accumulated amortization and accumulated impairment losses, if any. The right-of-use assets are amortized on a straight-line basis from the commencement date of the lease over the shorter of the end of the lease term or useful life of the right-of-use asset.

Right-of-use assets are assessed for impairment whenever there is an indication that the balance sheet carrying amount may not be recoverable using cash flow projections for the useful life.

For lease liabilities at commencement date, the Company measures the lease liability at the present value of the future lease payments as from the commencement date of the lease to end of the lease term. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, the Company's incremental borrowing rate for the asset subject to the lease in the respective markets.

Subsequently, the Company measures the lease liability by adjusting carrying amount to reflect interest on the lease liability and lease payments made.

The Company remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever there is a change to the lease terms or expected payments under the lease, or a modification that is not accounted for as a separate lease

The portion of the lease payments attributable to the repayment of lease liabilities is recognized in cash flows used in financing activities. Also, the portion attributable to the payment of interest is included in cash flows from financing activities. Further, Short-term lease payments, payments for leases for which the underlying asset is of low-value and variable lease payments not included in the measurement of the lease liability is also included in cash flows from operating activities.

The Company as a lessor:

In arrangements where the Company is the lessor, it determines at lease inception whether the lease is a finance lease or an operating lease. Leases that transfer substantially all of the risk and rewards incidental to ownership of the underlying asset to the counterparty (the lessee) are accounted for as finance leases. Leases that do not transfer substantially all of the risks and rewards of ownership are accounted for as operating leases. Lease payments received under operating leases are recognized as income in the statement of profit and loss on a straight-line basis over the lease term or another systematic basis. The Company applies another systematic basis if that basis is more representative of the pattern in which benefit from the use of the underlying asset is diminished.

k. Foreign Currency Transactions

Transactions in foreign currencies are translated at the rates of exchange prevailing on the dates of the transactions. Monetary assets and liabilities in foreign currencies are translated at the prevailing rates of exchange at the balance sheet date. Non-monetary items that are measured at historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Any exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were initially recorded are recognized in the statement of profit and loss in the period in which they arise. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at rates prevailing at the date when the

fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

The Company's functional currency and the presentation currency is same i.e. Indian Rupee.

I. Financial instrument

Non-derivative financial instruments

Financial assets and financial liabilities are recognized when the Company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets or liabilities (other than financial assets and liabilities at fair value through profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognized immediately in the statement of profit or loss. Financial assets and financial liabilities are offset against each other and the net amount reported in the balance sheet if, and only if, there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

Financial Assets

Financial assets are divided into the following categories:

- financial assets carried at amortized cost
- financial assets at fair value through other comprehensive income
- financial assets at fair value through profit and loss;

Financial assets are assigned to the different categories by Management on initial recognition, depending on the nature and purpose of the financial assets. The designation of financial assets is re-evaluated at every reporting date at which a choice of classification or accounting treatment is available. Financial Assets like Investments in Subsidiaries are measured at Cost as allowed by Ind-AS 27 – Separate Financial Statements and hence are not fair valued.

Financial assets carried at amortized cost

The Financial asset is measures at amortized cost if both the following conditions are met:

1. The asset is held within a business model whose objective is to hold the assets for collecting contractual cash flows; and
2. Contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (the "EIR") method. The effective interest rate is the rate that exactly discounts future cash

receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income/other income in the Statement of Profit and Loss.

In accordance with Ind AS 109: Financial Instruments, the Company recognizes impairment loss allowance on trade receivables and content advances based on historically observed default rates. Impairment loss allowance recognized during the year is charged to Statement of Profit and Loss.

Financial assets at fair value through other comprehensive income

Financial assets at fair value through other comprehensive income are non-derivative financial assets held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. It includes non-derivative financial assets that are either designated as such or do not qualify for inclusion in any of the other categories of financial assets. Gains and losses arising from investments classified under this category is recognized in the statement of profit and loss when they are sold or when the investment is impaired.

In the case of impairment, any loss previously recognized in other comprehensive income is transferred to the statement of profit and loss. Impairment losses recognized in the statement of profit and loss on equity instruments are not reversed through the statement of profit and loss. Impairment losses recognized previously on debt securities are reversed through the statement of profit and loss when the increase can be related objectively to an event occurring after the impairment loss was recognized in the statement of profit and loss.

When the Company considers that fair value of financial assets can be reliably measured, the fair values of financial instruments that are not traded in an active market are determined by using valuation techniques. The Company applies its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at each balance sheet date. Equity instruments measured at fair value through profit or loss that do not have a quoted price in an active market and whose fair value cannot be reliably measured are measured at cost less impairment at the end of each reporting period.

An assessment for impairment is undertaken at least at each balance sheet date.

A financial asset is derecognized only where the contractual rights to the cash flows from the asset

expire or the financial asset is transferred, and that transfer qualifies for derecognition. A financial asset is transferred if the contractual rights to receive the cash flows of the asset have been transferred or the Company retains the contractual rights to receive the cash flows of the asset but assumes a contractual obligation to pay the cash flows to one or more recipients. A financial asset that is transferred qualifies for derecognition if the Company transfers substantially all the risks and rewards of ownership of the asset, or if the Company neither retains nor transfers substantially all the risks and rewards of ownership but does transfer control of that asset.

Financial liabilities

All financial liabilities are recognised initially at its fair value, adjusted by directly attributable transaction costs.

Financial liabilities at fair value through profit or loss

Financial liabilities are classified as at fair value through profit or loss when the financial liability is held for trading such as a derivative, except for a designated and effective hedging instrument, or if upon initial recognition it is thus designated to eliminate or significantly reduce measurement or recognition inconsistency or it forms part of a contract containing one or more embedded derivatives and the contract is designated as fair value through profit or loss.

Financial liabilities at fair value through profit or loss are stated at fair value. Any gains or losses arising of held for trading financial liabilities are recognized in profit or loss. Such gains or losses incorporate any interest paid and are included in the "other gains and losses" line item.

Financial liabilities at amortized cost

After initial recognition, other financial liabilities (including borrowing and trade and other payables) are subsequently measured at amortized cost using the effective interest method.

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

A financial liability is derecognized only when the obligation is extinguished, that is, when the obligation is discharged or cancelled or expires. Changes in liabilities fair value that are reported in profit or loss are included in the statement of profit and loss within finance costs or finance income.

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet when, and only when, there is a legally enforceable right to offset the recognized amount and there is intention either to settle on net basis or to realize the assets and to settle the liabilities simultaneously.

Equity Instrument

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through profit and loss with all changes recognized in the Statement of Profit and Loss. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income, the subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. If the Company decides to classify an equity instrument as at fair value through other comprehensive income, then all fair value changes on the instrument, excluding dividends and impairment loss, are recognized in other comprehensive income. There is no recycling of the amounts from the other comprehensive income to the Statement of Profit and Loss, even on sale of the investment. However, the Company may transfer the cumulative gain or loss within categories of equity.

m. Taxes

Taxation on profit and loss comprises current tax and deferred tax. Tax is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity or other comprehensive income in which case tax impact is also recognized in equity or other comprehensive income.

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date along with any adjustment relating to tax payable in previous years.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax is not recognized for all taxable temporary differences between the carrying amount and tax bases of investments in subsidiaries where it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to utilize all or part of the deferred tax asset. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will be available to utilize the deferred tax asset.

n. Earnings per share

Basic EPS is computed by dividing net profit after taxes for the year by weighted average number of equity shares outstanding during the financial year, adjusted for bonus share elements in equity shares issued during the year and excluding treasury shares, if any.

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

o. Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short term highly liquid investments which are readily convertible into known amounts of cash and are subject to insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

Deposits held with banks as security for overdraft facilities are included in restricted deposits held with bank.

p. Segment reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available. The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. Based on the management approach as defined in Ind AS 108, the CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

The Company has identified three geographic markets: India, UAE and Rest of the world.

q. Statement of cash flows

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

r. Dividends

The Company recognises a liability for dividends to equity holders of the Company when the dividend is authorized, and the dividend is no longer at the discretion of the Company. As per the corporate laws in India, a dividend is authorised when it is approved

by the shareholders. A corresponding amount is recognised directly in equity.

s. Event occurring after the reporting date

Adjusting events (that provides evidence of condition that existed at the balance sheet date) occurring after the balance sheet date are recognized in the financial statements. Material non-adjusting events (that are inductive of conditions that arose subsequent to the balance sheet date) occurring after the balance sheet date that represents material change and commitment affecting the financial position are disclosed by way of notes in financial statements.

t. Non - current assets held for sale and discontinued operations

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and sale is considered highly probable. They are measured at the lower of carrying amount or fair value less cost to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.

An impairment loss is recognized for any initial or subsequent write-down of the asset to fair value less cost to sell. A gain is recognized for any subsequent increase in the fair value less cost to sell of any asset, but not in excess of any cumulative impairment loss previously recognized. A gain or loss not previously recognized by the date of the sale of the non-current asset is recognized at the date of de-recognition.

Non-Current assets are not depreciated or amortised while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a disposal group classified as held for sale continue to be recognised.

Non-current assets classified as held for sale are presented separately from the other assets in the balance sheet.

A discontinued operations is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is a part of a single co-ordinated plan to dispose of such line of business or area of business of operations, or is a subsidiary acquired exclusively with a view of resale. The result of discontinued operations are presented separately in the statement of profit and loss.

2. Significant accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions, as described below, that affect the reported amounts and the disclosures. The Company based its assumptions and estimates on parameters available when the financial statements were prepared and reviewed at each balance sheet date. Uncertainty about these assumptions and estimates could result in outcomes that may require a material adjustment to the reported amounts and disclosures.

a. Intangible Assets

The Company is required to identify and assess the useful life of intangible assets and determine their income generating life. Judgment is required in determining this and then providing an amortization rate to match this life as well as considering the recoverability or conversion of advances made in respect of securing film content or the services of talent associated with film production.

Accounting for the film content requires Management's judgment as it relates to total revenues to be received and costs to be incurred throughout the life of each film or its license period, whichever is the shorter. These judgments are used to determine the amortization of capitalized film content costs. The Company uses a stepped method of amortization on first release film content writing off more in year one which recognizes initial income flows and then the balance over a period of up to nine years. In the case of film content that is acquired by the Company after its initial exploitation, commonly referred to as Library, amortization is spread evenly over the lesser of 10 years or the license period. Management's policy is based upon factors such as historical performance of similar films, the star power of the lead actors and actresses and others. Management regularly reviews, and revises when necessary, its estimates, which may result in a change in the rate of amortization and/or a write down of the asset to the recoverable amount.

Intangible assets are tested for impairment in accordance with the accounting policy. These calculations require judgments and estimates to be made, and in the event of an unforeseen event these judgments and assumptions would need to be revised and the value of the intangible assets could be affected. There may be instances where the useful life of an asset is shortened to reflect the uncertainty of its estimated income generating life.

b. Employee benefit plans

The cost of the employment benefit plans, and their present value are determined using actuarial valuations which involves making various assumptions that may differ from actual developments in the future. For further details refer to Note 40.

c. Fair value measurement of ESOP Liability

The fair value of ESOP Liability is determined using valuation methods which involves making various assumptions that may differ from actual developments in the future. For further details refer Note 41.

d. Trade receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

e. Depreciation

Property, plant and equipment are depreciated over the estimated useful lives of the assets, after taking into account their estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of

depreciation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation for future periods is adjusted if there are significant changes from previous estimates.

f. Impairment of non-financial assets

In assessing impairment, management estimates the recoverable amount of each asset or cash-generating unit based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

g. Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgment to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

h. Fair value measurement

Management uses valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible, but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

2.1 Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has

determined that it has no impact in its financial statements. In August 2025, MCA notified the following amendments to: 1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities

Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments - Disclosures, applicable w.e.f April 1, 2025 - The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it has no impact in its financial statements.

Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. The Company has reviewed the amendment and based on its evaluation has determined that it has no impact on its financial statements.

Standards issued but not yet effective

Treatment to Lender Waiver – Amendments to Ind AS 1 — This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, retrospectively. These provisions relate to the treatment of lender waivers granted after the reporting date but before the financial statements are approved for issue. Under the amended requirements, such waivers will no longer be permitted to be considered for the purpose of classification of loans. The Company does not expect this amendment to have an impact on its financial statements.

The Company has initiated arbitration process against certain parties to whom content advances were given in earlier period and which now are being sought to be refunded along with interest. The Company has been making provision for impairment of content advances in past in line with the accounting policy followed in this regard. Considering that the Company is now seeking refund of amount advanced and is not having intention to pursue it for commercial exploitation, the balance amount of content advances has been shown under the head "Financial Assets" instead of "Non- Financial Assets" as was hitherto made. Accordingly, the Company has impaired such content advances under Expected Credit Loss in terms of policy followed in this regard. Balances of content advances to the parties against whom arbitration process has been initiated as at the close of the financial year amounted to Rs. Nil (31 March 2025 Rs. 3,316 lakhs) net of provision under expected credit loss.

The adjudication proceeding are compleated vide said order in original dated 5th Febreuary 2025 and demand of Rs. 290 laksh is confirmed company has has filed appeal against said order on 2nd June 2025.
- During the year ended 31 March 2021, the Company received a show cause notice from the Commissioner of Service Tax to show cause why an amount aggregating to 5, 317akhs for the period 1 April 2015 to 30 th June 2017 should not be levied on and paid by the Company for service tax arising on temporary/perpatual transfer of copyright services and other matters.
- "During the year ended 31 March 2015, the Company received a show cause notice from the Commissioner of Service Tax to show cause why an amount aggregating to ₹ 15,675 lakhs for the period 1 April 2009 to 31 March 2014 should not be levied on and paid by the Company for service tax arising on temporary/perpatual transfer of copyright services and other matters.

In connection with the aforementioned matters, on 19 May 2015, the Company received an Order-in-original issued by the Principal Commissioner, Service Tax, wherein the department confirmed the demand of ₹ 15,675 lakhs along with interest and penalty amounting to ₹ 15,675 lakhs resulting into a total demand of ₹ 31,350 lakhs.

On 3 September 2015, the Company filed an appeal against the said order before the authorities. The Company has paid ₹ 1,000 Lakhs under protest. Considering the facts and nature of levies and the ad-interim protection for the period 1 July 2010 to 30 June 2012 granted by the Honorable High Court of Mumbai, the Company expects that the final outcome of this matter will be favourable. Accordingly, based on the assessment made after taking appropriate legal advice, the provision of Rs.88.52 Lakhs only has been recorded and no additional liability has been recorded in the financial statements.

- 5 Company has received showcause notice for reversal of CENVAT credit for the period 2013-14 to 2015-16 ₹ 187 lakhs. no additional liability has been accounted in financial statements for this showcause notice. Further Company also received showcause notice for Non levy of Service tax on Import of Services for the period 2013-14 to 2015-16 for ₹ 70 Lakhs. the Company has recorded liability ₹ 51.51 lakhs on account of this show cause notices.
- 6 On 8 October 2018, the Company received a show cause notice from the Commissioner of Service Tax to show cause why an amount aggregating to ₹ 2,695 lakhs for the period 1 April 2014 to 31 March 2015 should not be levied on and paid by the Company for service tax with equal penalty arising on temporary / perpetual transfer of copyright services and other matters. The provision of Rs. 60.77 lakhs has been recorded and no additional liability has been recorded in the financial statements.
- 7 In addition, the Company is liable to pay service tax on use on temporary transfer of copyright in the period 1 July 2010 to 30 June 2012. The Company filed a writ petition in Mumbai High Court challenging the constitutionality and the legality of this entry and received ad-interim protection and accordingly, no amounts were provided for by the Company for the period 1 April 2011 to 30 June 2012.
- 8 It is not practicable for the Company to estimate the timing of cash outflows, if any, in respect of the above, pending resolution of the respective proceedings.
- 9 From time to time, the 'Company' is involved in legal proceedings arising in the ordinary course of its business, typically intellectual property litigation and infringement claims related to the Company's feature films and other commercial activities, which could cause the Company to incur expenses or prevent the Company from releasing a film. While the resolution of these matters cannot be predicted with certainty, the Company does not believe, based on current knowledge or information available, that any existing legal proceedings or claims are likely to have a material and adverse effect on its financial position, results of operations or cash flows.
- 10 The Company does not expect any reimbursements in respect of the above contingent liabilities.
- 11 After the close of the financial year, Company has entirely settled dues towards Banks and as of date there is no amount outstanding. OTS Agreement dated 22 June 2021 entered into with Company's lenders provides that post complete and satisfactory payment of all dues to the lenders as defined in terms of agreement, the lenders would have "Right of Recompense" for compensating them for the sacrifice made when the OTS was entered into. While the right for recompense exists, as on date the Company has not received any intimation from any lender initiating the claim. Accordingly, the compensation if any, that the lenders may seek is not ascertainable as on date. But on prudence basis, the Company has made provision of ₹ 285 Lakhs in FY 2025-26.

VIII Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision.

IX Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

X Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Company has to manage pay-out based on pay as you go basis from own funds.

XI Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

b) Compensated absences

42 Operating Segment

Description of segment and principal activities

The Company acquires, co-produces and distributes Indian films in multiple formats worldwide. Film content is monitored and strategic decisions around the business operations are made based on the film content, whether it is new release or library. Hence, Management identifies only one operating segment in the business, film content. The Company distributes

film content to the Indian population in India and worldwide and to non-Indian consumers who view Indian films that are subtitled or dubbed in local languages. As a result of these distribution activities, the management examines the performance of the business from a geographical market perspective.

45 Fair value measurement of financial instruments

Financial assets and financial liabilities measured at fair value in the balance sheet are grouped into three Levels of a fair value hierarchy. The three Levels are defined based in the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as price) or indirectly (i.e. derived from price)

Level 3: unobservable inputs for the asset or liability

- a. The following table shows the Levels within the hierarchy of financial assets and liabilities measured at fair value on a recurring basis:

Total	86,625	-	-	-

*Exclude financial instruments of investment in subsidiaries carried at cost.

During the year ended 31 March 2026 there was no transfers between level 2 and level 3 fair value hierarchy.

Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities and short term borrowings carried at amortised cost is not materially different from its carrying cost largely due to short term maturities of these financial assets and liabilities.

Fair value of the borrowing items fall within level 2 of the fair value hierarchy and is calculated on the basis of discounted future cash flows.

Non-listed shares and other securities fall within level 3 of the fair value hierarchy. Valuation is based on the discounted future cash flow method.

Financial instruments with fixed and variable interest rate fall within level 2 of the fair value hierarchy and are evaluated by Company based on parameters such as interest rate, credit rating or assessed credit worthiness.

Total	77,870	-	-	-

During the year ended 31 March 2026 and 31 March 2025, there was no transfers between level 2 and level 3 fair value hierarchy.

Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities and short term borrowings carried at amortised cost as at 31 March 2026 and 31 March 2025 is not materially different from its carrying cost largely due to short term maturities of these financial assets and liabilities.

Following table shows the reconciliation from the opening balances to the closing balances of the level 3 values:-

Amount ₹ in lakhs

Particulars	Level 3
Balance as on 1 April 2024	-

Financial asset	Fair value as at (₹ in Lakhs)		Fair value hierarchy	Valuation techniques and key inputs	Significant unobservable input	Relationship of unobservable input to fair value
	31 March 2026	31 March 2025				
Investment in unquoted equity share	Equity share of :- ErosNow Private limited - ₹ NIL	Equity share of :- ErosNow Private limited - ₹ NIL	Level 3	Income approach - In this approach, the discounted cash flow method was used to capture the present value of the expected future economic benefit to be derived from the ownership of these equity instruments.	The significant inputs were:- a) the estimated cash flow; and b) the discount rate to compute the present value of the future expected cash flow.	A 1 % increase / decrease in the discount rate used would decrease/ increase the fair value of unquoted equity instruments by ₹ NIL / ₹ NIL (₹ Nil / Nil As at 31 March 2026 / 31 March 2025).

46 Financial instruments and Risk management

The Company is exposed to various risks in relation to financial instruments. The Company's financial assets and liabilities by category are summarised in note 44. The main types of risks are market risk, credit risk and liquidity risk.

The Company's risk management is coordinated in close cooperation with the board of directors and audit committee meetings.

The Company has established objectives concerning the holding and use of financial instruments. The underlying basis of these objectives is to manage the financial risks faced by the Company.

Formal policies and guidelines have been set to achieve these objectives. The Company does not enter into speculative arrangements or trade in financial instruments and it is the Company's policy not to enter into complex financial instruments unless there are specific identified risks for which such instruments help mitigate uncertainties.

Management of Capital Risk and Financial Risk

The Company manages its capital to ensure that it will be able to continue as a going concern while maximizing the return to shareholders through the optimization of the debt and equity balance. The Company monitors capital using a gearing ratio, which is net debt divided by total capital. For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. Net debt is calculated as borrowing (refer note 11, 17, 19, and 25) less cash and cash equivalents.

The gearing ratio at the end of the reporting period was as follows:

Amount ₹ in lakhs

	As at 31 March 2026	As at 31 March 2025
Debt	15,417	15,224
Less: Cash and cash equivalents	(11)	(19)
Net debt	15,406	15,205
Equity	(49,002)	(38,820)
Net debt to equity		

Note: The gearing ratio is not meaningful as the Company has negative equity as at 31 March 2026 and 31 March 2025. Accordingly, the ratio has not been presented for the current and comparative periods.

Financial risk management objectives

Based on the operations of the Company, Management considers that key financial risks that it faces are credit risk, currency risk, liquidity risk and interest rate risk. The objectives under each of these risks are as follows:

- credit risk: minimize the risk of default and concentration.
- currency risk: reduce exposure to foreign exchange movements principally between INR and USD.
- liquidity risk: ensure adequate funding to support working capital and future capital expenditure requirements.
- interest rate risk: mitigate risk of significant change in market rates on the cash flow of issued variable rate debt.

Credit Risk

The Company's credit risk is principally attributable to its trade receivables, loans and bank balances. As a number of the Company's trading activities require third parties to report revenues due to the Company this risk is not limited to the initial agreed sale or advance amounts. The amounts shown within the Balance Sheet in respect of trade receivables and loans are net of allowances for doubtful debts based upon objective evidence that the Company will not be able to collect all amounts due.

Trading credit risk is managed on a customer by customer basis by the use of credit checks on new clients and individual credit limits, where appropriate, together with regular updates on any changes in the trading partner's situation. In a number of cases trading partners will be required to make advance payments or minimum guarantee payments before delivery of any goods. The Company reviews reports received from third parties and in certain cases as a matter of course reserve the right within the contracts it enters into to request an independent third party audit of the revenue reporting.

The credit risk on bank balances is limited because the counterparties are banks with high credit ratings.

The Company from time to time will have significant concentration of credit risk in relation to individual theatrical releases, television syndication deals or digital licenses. This risk is mitigated by contractual terms which seek to stagger receipts and/or the release or airing of content. As at 31 March 2026 98% (31 March 2025: 98%) of trade account receivables were represented by the top 5 customer, out of which as at 31 March 2026 100% (31 March 2025:

98%) of trade account receivables were represented by the related parties. The maximum exposure to credit risk is that shown within the statement of financial position.

As at 31 March 2026 and 31 March 2025, the Company did not hold any material collateral or other credit enhancements to cover its credit risks associated with its financial assets.

Currency Risk

The Company is exposed to foreign exchange risk from foreign currency transactions. As a result it faces both translation and transaction currency risks which are principally mitigated by matching foreign currency revenues and costs wherever possible.

The Company has identified that it will need to utilize hedge transactions to mitigate any risks in movements between the US Dollar and the Indian Rupee and has adopted an agreed set of principles that will be used when entering into any such transactions. No such transactions have been entered into to date and the Company has managed foreign currency exposure to date by seeking to match foreign currency inflows and outflows as much as possible such as packing credit repayment in USD is matched with remittances from UAE in USD. Details of the foreign currency borrowings that the Company uses to mitigate risk are shown within Interest Risk disclosures.

The Company adopts a policy of borrowing where appropriate in the foreign currency as a hedge against translation risk. The table below shows the Company's net foreign currency monetary assets and liabilities position in the main foreign currencies, translated to Indian Rupees(INR) equivalents, as at the year end:

Amount ₹ in lakhs

	Net balance receivables / (payables)			
	INR	USD	SGD*	EUR
As at 31 March 2026	12,946	137	0	1
As at 31 March 2025	10,153	118	1	-

*amount represents less than one lakh

The above foreign currency arises when the Company holds monetary assets and liabilities denominated in a currency other than INR.

A uniform decrease of 10% in exchange rates against all foreign currencies in position as of 31 March 2026 would have increased the Company's net loss before tax by approximately ₹ 868 lakhs (31 March 2025: net loss before tax increased by ₹ 1,015 lakhs). An equal and opposite impact would be experienced in the event of an increase by a similar percentage.

Liquidity risk

The Company manages liquidity risk by maintaining adequate reserves and agreed committed banking facilities. Management of working capital takes account of film release dates and payment terms agreed with customers.

A maturity analysis for financial liabilities is provided below. The amounts disclosed are based on contractual undiscounted cash flows. The table includes both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rates as at 31 March, in each year.

50 As per the provision of the Act, a Corporate Social Responsibility (CSR) committee has been formed by the Company. CSR objects chosen by the Company primarily consist of promoting education, promoting gender equality, empowering women, setting up homes and hostels for women and orphans etc. In view of the aggregate losses as calculated in accordance Section 135 and 198 of the Companies Act, 2013 during last 3 years immediately preceding financial years, the Company is not required to incur any expenditure in pursuance of the CSR policy for the FY 2025-26 (Previous year: NIL).

51 The Company has trade receivables of ₹ 48,813 lakhs from Eros Worldwide FZE (formerly known as Eros Worldwide FZ LLC) ("EWW") ("Company having significant influence"), which are long overdue. As against this, there is trade payables of ₹ 32,124 lakhs to EWW. After considering the setoff of trade payables, the Company would have net trade receivables of ₹ 16,688 lakhs from EWW. Apart from EWW, the Company has trade receivables of ₹ 8,184 lakhs (net of trade payables of ₹ 362 lakhs) from Eros International Limited UK (currently under control of Administrator) and ₹ 3,566 lakhs from Eros International USA Inc. (both fellow subsidiaries of EWW). The Company has filed an application with Reserve Bank of India ("RBI") through Authorized Dealers to condone the delay and not to charge any fine or penalty for delay in realization of outstanding export invoices as also setting off trade payables against trade receivables and permit net remittance due from EWW ₹ 16,688 lakhs and approval from RBI is awaited in this regard.

In view of the financial position and performance of the aforesaid entities, the Company has made a provision of ₹ 28,438 lakhs towards the net debit balance, representing the expected credit loss up to FY 2025-26. The management is actively pursuing the necessary approvals. The financial impact, if any, remains unascertainable at present and will be duly accounted upon crystallisation of the final outcome.

52 The Company has incurred Loss before tax amounting ₹ 10,035 lakhs for year ended March 31, 2026 and the net worth has been fully eroded. Additionally the Company has defaulted on payment of statutory dues on certain occasions. These circumstances give rise to material uncertainties that could significantly affect the Company's ability to continue operations as a going concern. To address these challenges, the Company has implemented various measures to enhance liquidity, such as restricting borrowing facilities, conserving cash through cost saving initiatives, and maximising revenue by entering into long term contracts to monetize the film/music library and recover overdue trade receivables. The Company has taken these uncertainties and measures into account when preparing its financial forecasts. Therefore, based on these considerations, management has decided to continue preparing its standalone financial results on a going concern basis.

53 The Company received an Interim Ex-Parte Order dated June 22, 2023, from the Securities and Exchange Board of India ("SEBI") ("Interim Ex-Parte Order") levelling certain allegations and imposing certain restrictions on the Company and some of its Directors. The Company filed an appeal against the Interim Ex-Parte Order before the Securities Appellate Tribunal ("Hon'ble SAT") and vide order dated August 22, 2023, the Hon'ble SAT without commenting on the merits of the said appeal directed the company to file its reply along with an application for vacating the Interim Ex-Parte Order before SEBI. The Company filed its reply as per the directions of the Hon'ble SAT. On October 13, 2023, SEBI passed an order confirming the Interim Ex-Parte Order ("Confirmatory Order"). The Confirmatory Order also stipulated that the investigation by SEBI shall be completed within a period of 6 months from the date of the Confirmatory Order.

On November 27, 2023, the Company filed an appeal with the Hon'ble SAT against the Confirmatory Order and sought stay of the implementation and enforcement of the Confirmatory Order passed by SEBI as well as seeking directions against SEBI from taking any coercive steps against the company. On June 28, 2024, the Hon'ble SAT disposed of Company's appeal by directing SEBI to issue a show cause notice within an outer period of 3 weeks and also directed adjudication of the same within 5 months of the receipt of a reply from the Company. A Show Cause Notice dated

July 16, 2024, was received by the Company on July 18, 2024 ("SCN"). The Company is still seeking information, clarifications and documents in relation to the SCN from SEBI as well as exploring legal recourses available with it against the SCN.

As on date, while the Company continues to comply with the directions passed by SEBI in its Interim Ex-Parte Order and Confirmatory Order, it has filed an appeal before the Securities Appellate Tribunal (SAT) against SEBI's deliberate inaction with regard to disclosure of materials relied on in the SCN on May 08, 2025. The appeal was heard on June 24, 2025, wherein the Hon'ble SAT ordered SEBI to file its reply within three weeks and the Company to file a rejoinder within two weeks thereafter. SEBI filed its reply and the Company filed its rejoinder to SEBI's reply, the matter is currently listed for further hearing in June-2026.

Pending final disposal of the proceedings and filing/adjudication of replies to the SCN, the impact, if any, on the financial results for the year ended March 31, 2026, is presently not ascertainable. While uncertainty exists regarding outcome of the proceedings, the Company after considering all available information and facts as of date, has not identified the need for any adjustments.

- 54** A search operations was carried out u/s 37(3) of Foreign Exchange Management Act, 1999 at the Registered Office of the Company by the Enforcement Directorate, Mumbai, which concluded on February 06, 2025. The Company continues to operate in the normal course of business and shall continue to co-operate with the authorities.
- 55** The Government of India has implemented four new labour codes ("Codes") including the Code on Wages, 2019, w.e.f. 21st November 2025. The Government of India has also notified the related rules under the New Labour Codes on 8th May, 2026. The Company has evaluated the impact of the Labour Codes on the basis of information currently available. Management has assessed that the incremental impact, if any, of these changes is not expected to be material given that the current salary structure of the Company is in line with the requirements of the Labour Codes. The Company continuous to monitor the finalisation of State Rules and other aspects of Labour Code and would provide appropriate accounting effects on the basis of such developments as and when needed. The Company does not have fixed term employees.
- 56** Other Income for the year ended March 31, 2025 includes profit on sale of office premises amounting to ₹ 2,303 lakhs and ₹ 2,500 lakhs on account of payment received against arbitration award granted in favour of the Company.

57 Post reporting date events

No adjusting or significant non-adjusting events have occurred between 31 March 2026 and the date of authorisation of these standalone financial statements.

- 58** Previous year's figures have been regrouped, reclassified wherever necessary to correspond with current year classification /disclosure.

Consolidated Financial Statements

INDEPENDENT AUDITOR'S REPORT

To the Members of

EROS International Media Limited

Report on the Audit of the Consolidated Financial Statements

Disclaimer of Opinion

We were engaged to audit the accompanying consolidated financial statements of **Eros International Media Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended and notes to the consolidated financial statements including a summary of material accounting policy information and other explanatory information (hereinafter referred to as "consolidated financial statements").

We do not express an opinion on the accompanying consolidated financial statements of the Group. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these consolidated financial statements, and accordingly, we do not express an opinion on the consolidated financial statements of the Group.

Basis for Disclaimer of Opinion

- (a) As stated in Note 51 to the consolidated financial statements, since the Holding Company does not have access to the financial statement of one of the subsidiary company for the reasons stated in the said Note, the said subsidiary company has not been considered for consolidation in the attached consolidated financial statements. On account of non-availability of the financial statements of the subsidiary company, we are unable to obtain sufficient appropriate audit evidence for compliance with the provisions of Ind AS 110 'Consolidated Financial Statements'. Consequently, we are unable to determine the impact of such non-compliance on the loss, earnings per share for the year ended March 31, 2026, and the investment in subsidiary, reserves and surplus as at March 31, 2026.
- (b) As stated in Note 53 to the consolidated financial statements, the Holding Company has long overdue trade receivables from group entities, amounting to ₹ 16,688 Lakhs (net of payable of ₹ 32,124 Lakhs) from Eros Worldwide FZE (formerly known as Eros Worldwide FZ LLC) ("EWW"), ₹ 8,184 Lakhs (net of payable of ₹ 362 Lakhs) from Eros International Limited UK and ₹ 3,566 Lakhs from Eros International USA Inc. As stated in the said Note, considering the financial position and performance of the aforesaid entities, the Holding Company has made the overall provision of ₹ 28,438 Lakhs against the net debit balance on account of expected credit loss as on March 31, 2026.

Further, the Holding company has filed application with Reserve Bank of India ("RBI") through Authorized Dealers to condone the delay and not to charge any fine or penalty for delay in realization of outstanding export invoices as also setting off trade payables

against trade receivables and permit net remittance due from EWW ₹ 16,688 Lakhs.

Pending outcome of the above, the financial impact, if any, on the consolidated financial statements for the year ended March 31, 2026 is currently not ascertainable.

- (c) As stated in Note 47 to the consolidated financial statements, the Securities and Exchange Board of India ("SEBI") has passed Interim Ex-Parte order dated June 22, 2023 and thereafter Confirmatory Order dated October 13, 2023 against which an appeal was filed by the Holding Company with Securities Appellate Tribunal ("SAT"), which was disposed-off with the direction for SEBI to issue Show Cause Notice ("SCN") and to complete investigation in stipulated period of time. The Holding Company is in the process of responding to the SCN after seeking information from SEBI.

Content advances as on March 31, 2026 includes those given to certain parties and aggregating to ₹ 1,01,601 Lakhs (₹ Nil Lakhs, net of impairment and write-off) which are subject matter of scrutiny and investigation by SEBI along with other matters as mentioned in the aforesaid Confirmatory Order.

Pending completion of proceedings and investigation, we are unable to comment on the possible consequential effects thereof, if any, on the consolidated financial statements for the year ended March 31, 2026.

Material Uncertainty Related to Going Concern

We draw attention to Note 49 to the consolidated financial statements, which indicates that the Group has incurred a net loss of ₹ 13,464 Lakhs for the year ended March 31, 2026. These events or conditions, along with other matters as set forth in Note 49, indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. The assumption of going concern is dependent on the ability of the Group to raise funds through monetization of its film/music library rights as well as its noncore assets and other strategic initiatives. However, for the reasons stated in the Note 49, the consolidated financial statements has been prepared on the basis of going concern.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Except for the matters described in the Basis for Disclaimer of Opinion section and Material Uncertainty Related to Going Concern section, we have determined that there are no other key audit matters to communicate in our report.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Holding Company's Director's Report, but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon. The Director's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Director's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable in the applicable laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including Ind AS prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiary companies, which are companies incorporated in India, have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit financial statements of one (1) subsidiary, whose financial statements reflects total assets of ₹ 1,32,236 Lakhs and net assets of ₹ 1,31,564 Lakhs as at March 31, 2026, total revenues of ₹ Nil and net cash inflow amounting to ₹ 0.09 Lakhs for the year ended March 31, 2026, as considered in the consolidated financial statements. These financial statements have been audited by its independent auditor whose reports have been furnished to us by the management and our report on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this entity, is based solely on the report of the such auditor.

The above subsidiary is located outside India whose financial statements have been prepared in accordance with accounting principles generally accepted in that country and which have been audited by its independent auditor under generally accepted auditing standards applicable in that country. The Holding Company's management has converted the financial statements of such subsidiary located outside India from accounting principles generally accepted in that country to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our report in so far as it relates to the balances and affairs of such subsidiary located outside India is based on the report of its independent auditor and the conversion adjustments prepared by the management of the Holding Company and audited by us.

- (b) We did not audit the financial statements of one (1) subsidiary, whose financial statements reflects total assets of ₹ 159 Lakhs and net asset of ₹ 36 Lakhs as at March 31, 2026, total revenues of ₹ Nil and net cash inflows/outflow amounting to ₹ Nil for the year ended on that date, as considered in the consolidated financial statements. These financial statements are unaudited and have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the management, these financial statements are not material to the Group.

Our opinion on the consolidated financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the management.

Report on Other Legal and Regulatory Requirements

- (1) With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Holding Company and its subsidiaries, to which reporting under CARO is applicable, we report in "Annexure 1" the details of the qualifications or adverse remarks reported in the aforesaid CARO reports.
- (2) As required by section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements and the other financial information of subsidiary, as noted in the Other Matters section above we report, to the extent applicable, that:
- As described in the Basis of Disclaimer of Opinion section, we were unable to obtain all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - Due to the effects/possible effects of the matters described in the Basis of Disclaimer of Opinion section above, in our opinion, proper books of account as required by law have not been kept by the Group so far as it appears from our examination of those books;
 - The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - Due to the effects/possible effects of the matters described in the Basis for Disclaimer of Opinion section above, we are unable to state whether the aforesaid consolidated financial statements comply with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - The matters described in the Basis for Disclaimer of Opinion and Material Uncertainty Related to Going Concern section above, in our opinion, may have an adverse effect on the functioning of the Group;
 - On the basis of the written representations received from the directors of the Holding Company as on March 31, 2026 and taken on record by the Board of Directors of the Holding Company, none of the directors of the Group companies, incorporated in India, is disqualified as on March 31, 2026 from being appointed as a director in terms of section 164(2) of the Act;

g. The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph (2)(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;

h. With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure 2";

i. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us by the Holding Company, no remuneration is paid / provided by the Holding Company to its directors except to directors covered under proviso (a) to section 197(4) of the Act. In our opinion and to the best of our information and according to the explanations given to us, the subsidiary companies being private companies, section 197 of the Act relating to managerial remuneration is not applicable to them.

j. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

(i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 37 to the consolidated financial statements;

(ii) The Group did not have any material foreseeable losses on long term contracts including derivative contracts;

(iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies, incorporated in India;

(iv) (a) Based on our audit report on separate financial statements of the Holding Company and its subsidiary companies, incorporated in India, the management of the Holding Company and the respective management of the aforesaid subsidiaries, have represented that, to the best of their knowledge and belief, other than as disclosed in the notes to the account of the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any

manner whatsoever by or on behalf of the Group ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(iv) (b) Based on our audit report on separate financial statements of the Holding Company and its subsidiary companies, incorporated in India, the management of the Holding Company and the respective management of the aforesaid subsidiaries, have represented that, to the best of their knowledge and belief, other than as disclosed in the notes to the account of the consolidated financial statements, no funds have been received by the Group, from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Group shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(iv) (c) Based on the audit procedures that are considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(v) The Holding Company has not declared nor paid any dividend during the year.

Further, based on the audit reports of the subsidiary companies, incorporated in India, those entities have not declared nor paid any dividend during the year. Hence, reporting the compliance with section 123 of the Act is not applicable.

(vi) Based on our examination, which included test checks, the Holding Company and its subsidiaries have used an accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has not preserved by the Group as per the statutory requirements for record retention, except for the period of June 2024 to August 2024.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(h) under 'Report on Other Legal and Regulatory Requirements' section in our Independent Auditor's Report of even date to the members of Eros International Media Limited on the consolidated financial statements for the year ended March 31, 2026]

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We were engaged to audit the internal financial controls with reference to consolidated financial statements of Eros International Media Limited (hereinafter referred to as "the Holding Company") and its subsidiaries, which are companies incorporated in India, (the Holding Company and its subsidiaries together referred to as "the Group") as of March 31, 2026 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of Holding Company and its subsidiary companies which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the ICAI.

Because of the matter described in Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls with reference to consolidated financial statements of the Company.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Disclaimer of Opinion

According to the information and explanation given to us, the Holding Company and its subsidiary companies incorporated in India has not established its internal financial controls with reference to financial statements on criteria based on or considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Group had adequate internal financial controls with reference to consolidated financial statements and whether such internal financial controls were operating effectively as at March 31, 2026.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated financial statements of the Group, and the disclaimer does not affect our opinion on the consolidated financial statements of the Group and we have issued a disclaimer of opinion on the consolidated financial statements.

Summary of Material Accounting Policies

and explanatory notes to the consolidated financial statements

1. Corporate Information and Material accounting policies

Corporate Information

Eros International Media Limited (the 'Company' or 'parent') was incorporated in India, under the Companies Act, 1956. The Company and its subsidiaries (hereinafter collectively referred to as the "Group") is a global player within the Indian media and entertainment industry and is primarily engaged in the business of film production, exploitation and distribution. It operates on a vertically integrated studio model controlling content as well as distribution and exploitation across multiple formats globally, including cinema, digital, home entertainment and television syndication. Its shares are listed on leading stock exchanges in India (BSE Scrip Code: 533261; NSE Scrip Code: EROSMEDIA).

The Group is engaged in the business of sourcing Indian film content either through acquisition, co-production or production of such films, and subsequently exploiting and distributing such films in India through music release, theatrical distribution, DVD and VCD release, television licensing and new media distribution avenues such as cable or DTH licensing; and trading and exporting overseas rights to Eros Worldwide FZE (entity having significant influence).

Statement of compliance

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

Basis of preparation

The consolidated financial statements have been prepared on accrual basis of accounting using historical cost basis, except for the following:

- Employee Stock Option Compensation measured at fair value (refer accounting policy on ESOP).
- Accounting of Business Combinations at fair value (refer accounting policy on Business Combinations).
- Forward Contracts measured at fair value.

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Act. The Group considers 12 months to be its normal operating cycle.

All values are rounded to the nearest rupees in Lacs, except where otherwise indicated. Amount in zero (0) represents amount below One (1) lakh.

Principles of consolidation

The Group consolidates results of the Company and entities controlled by the Company i.e. its subsidiary undertakings. Control exists when the Company has

existing rights that give the Company the current ability to direct the activities which affect the entity's returns; the Company is exposed to or has rights to a return which may vary depending on the entity's performance; and the Company has the ability to use its powers to affect its own returns from its involvement with the entity.

Subsidiaries are consolidated by combining like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. The intra-company balances and transactions including unrealized gain / loss from such transactions are eliminated upon consolidation. These consolidated financial statements are prepared by applying uniform accounting policies in use. Non-controlling interests ("NCI") which represent part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the Group, are excluded.

Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

Business combinations are accounted for under the acquisition method. The acquisition method involves the recognition at fair value of all identifiable assets and liabilities, including contingent liabilities of the subsidiaries, at the acquisition date, regardless of whether or not they were recorded in the financial statements of the subsidiary prior to acquisition. On initial recognition, the assets and liabilities of the subsidiaries are included in the consolidated balance sheet at their fair values, which are also used as the bases for subsequent measurement in accordance with the Group accounting policies. Transaction costs that the Group incurs in connection with a business combination such as finder's fees, legal fees, due diligence fees, and other professional and consulting fees are expensed as incurred. Goodwill is stated after separating out identifiable intangible assets. Goodwill represents the excess of acquisition cost over the fair value of the Group's share of the identifiable net assets of the acquired subsidiary at the date of acquisition.

Changes in controlling interest in a subsidiary that do not result in gaining or losing control are not business combinations as defined by Ind AS 103 'Business Combinations'. The Group adopts the "equity transaction method" which regards the transaction as a realignment of the interests of the different equity holders in the Group. Under the equity transaction method an increase or decrease in the Group's ownership interest is accounted for as follows:

- the non-controlling component of equity is adjusted to reflect the non-controlling interest revised share of the net carrying value of the subsidiaries net assets;
- the difference between the consideration received or paid and the adjustment to non-controlling interests is debited or credited to equity;

Notes

to the consolidated financial statements and other explanatory information

- no adjustment is made to the carrying amount of goodwill or the subsidiaries' net assets as reported in the consolidated financial statements; and
- no gain or loss is reported in the Consolidated Statement of profit and loss.

Associates

Associates are all entities over which the Group has significant influence but not control or joint control. Assessment of whether the Group has significant influence or not is made based on Ind AS 28 – Associates and joint ventures, which requires duly considering potential voting rights if any. Investments in associates are accounted for using the equity method, after initially recognised at cost.

Joint arrangements

Investments in joint arrangements are classified as either joint operations or joint ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the joint arrangement. The Group has investments in joint ventures which are accounted using the equity method based on requirements of Ind AS 111 – Joint arrangements, after initially being recognised at cost in the consolidated balance sheet.

Equity method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income.

Any excess/short of the amount of investments in associate or joint venture over the Group's portion of net assets of associate or joint venture, at the date of investments is considered as goodwill/ capital reserve.

Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment. When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the Group and its associates and joint ventures are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.

Accounting policies of joint ventures and associates are similar to the Group's accounting policies, therefore, no adjustment is required for the purposes of preparation of these consolidated financial statements. The financial statements of joint ventures and associates are prepared up to the same reporting date as that of

the Group i.e. 31st March 2026. The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described in accounting policies below.

Material accounting policies

a. Revenue recognition

Revenue from contracts are recognized only when the contract has been approved by the parties to the contract and creates enforceable rights and obligations.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Group expects to receive in exchange for those products or services. Revenue do not include the taxes collected from the customer on behalf of taxing authorities. To ensure collectability of such consideration and financial stability of the counterparty, the Group performs certain standard Know Your Client (KYC) procedures based on their locations and evaluates trend of past collection.

Revenue is measured based on the transaction price, which is the consideration, adjusted for any discounts and incentives, if any, as specified in the contract with the customer. . In case of variable consideration, , the Group estimates, at the contract inception, the amount to be received using the "most likely amount" approach, or the "expected value" approach, as appropriate. This amount is then included in the Group's estimate of the transaction price only if it is highly probable that a significant reversal of revenue will not occur once any uncertainty associated with the variable consideration is resolved. In making this assessment the Group consider its historical performance on similar contracts.

The Group recognises contract liabilities for consideration received in respect of unsatisfied performance obligations and reports these amounts as deferred revenue under other current liabilities in the Balance Sheet (see Note 26). Similarly, if the Group satisfies a performance obligation before it receives the consideration, the Group recognises either a contract asset or a receivable in its balance sheet ,depending on whether something other than the passage of time is required before the consideration is due.

Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when the it becomes unconditional. Generally, the credit period varies between 0-180 days from the shipment or delivery of goods or services as the case may be.

The transaction price, being the amount to which the Group expects to be entitled and has rights to under the contract is allocated to the identified performance obligations. The transaction price will also include an estimate of any variable

Notes

to the consolidated financial statements and other explanatory information

consideration where the Group's performance may result in additional revenues based on the achievement of agreed targets.

The Group does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the Group does not adjust any of the transaction prices for the time value of money.

The Group disaggregates revenue from contracts with customers by geography and nature of services.

The following additional criteria apply in respect of various revenue streams within filmed entertainment:

Theatrical — Contracted minimum guarantees are recognized on the theatrical release date. The Group's share of box office receipts in excess of the minimum guarantee is recognized at the point they are notified to the Group.

Television — In arrangements for television syndication, license fees received in advance which do not meet the revenue recognition criteria, including commencement of the availability for broadcast under the terms of the related licensing agreement, are included in contract liability until the criteria for recognition is met. Revenues from television licensing arrangements are recognized when the feature film or television program is delivered and the period for the exploitation of rights has begun.

Other — DVD, CD and video distribution revenue is recognized on the date the product is delivered or if licensed in line with the above criteria. Provision is made for physical returns where applicable. Digital and ancillary media revenues are recognized at the earlier of when the content is accessed or declared. Visual effects, production and other fees for services rendered by the Group and overhead recharges are recognized in the period in which they are earned and in certain cases, the stage of production is used to determine the proportion recognized in the period.

Other income

Dividend income is recognised when the Group's right to receive the payment is established, which is generally when shareholders approve the dividend.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the effective interest rate applicable.

b. Property, plant and equipment and depreciation

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The cost of Property, Plant and Equipment comprises of its purchase price or construction cost, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and borrowing costs for assets that necessarily take a substantial period of time to get ready for their intended use. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

Capital Work-in-progress (CWIP) includes expenditure that is directly attributable to the acquisition/construction of assets, which are yet to be commissioned.

Depreciation is provided under written down value method at the rates and in the manner prescribed under Schedule II to the Companies Act, 2013. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Gains or losses arising from de-recognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is de-recognized.

c. Intangible assets

Intangible assets acquired by the Group are stated at cost less accumulated amortization less impairment loss, if any, (film production cost and content advances are transferred to film and content rights at the point at which content is first exploited).

Investments in films and associated rights, including acquired rights and distribution advances in respect of completed films, are stated at cost less amortization less provision for impairment. Costs include production costs, overhead and capitalized interest costs net of any amounts received from third party investors. A charge is made to write down the cost of completed rights over the estimated useful lives, writing off more in year one which recognizes initial income flows and then the balance over a period of up to nine years, except where the asset is not yet available for exploitation. The average life of the assets is the lesser of 10 years or the remaining life of the content rights. The amortization charge is recognized in the statement of profit and loss within cost of sales. The determination of useful life is based upon Management's judgment and includes assumptions on the timing and future estimated revenues to be generated by these assets.

Notes

to the consolidated financial statements and other explanatory information

Intangible assets comprising film scripts and related costs are stated at cost less amortization less provision for impairment. The script costs are amortized over a period of 3 years on a straight-line basis and the amortization charge is recognized in the statement of profit and loss within cost of sales. The determination of useful life is based upon Management's estimate of the period over which the Group explores the possibility of making films using the script.

Other intangible assets, which comprise internally generated and acquired software used within the Entity's digital, home entertainment and internal accounting activities, are stated at cost less amortization less provision for impairment. A charge is made to write down the cost of software over the estimated useful lives except where the software is not yet available for use. The average life of the software is the lesser of 3 years or the remaining life of the software. The amortization charge is recognized in the statement of profit and loss.

Goodwill represents excess of the consideration transferred in a business combination over the fair value of the Group's share of the identifiable net assets acquired. Goodwill is carried at cost less accumulated impairment losses. Gain on bargain purchase is recognized immediately after acquisition in the consolidated Statement of profit and loss.

d. Impairment of non-financial assets

At each reporting date, for the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash generating units). As a result, some assets are tested individually for impairment and some are tested at the cash generating unit level. All individual assets or cash generating units are tested for impairment whenever events or changes in circumstances both internal and external indicate that the carrying amount may not be recoverable.

An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount which represents the greater of the net selling price of assets and their 'value in use'.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Film and content rights are stated at the lower of unamortized cost and estimated recoverable amounts. In accordance with Ind AS 36 Impairment of Assets, film content costs are assessed for indication of impairment on a library basis as the nature of the Group's business, the contracts it has in place and the markets it operates in do not yet make an ongoing individual film evaluation feasible with reasonable certainty. Impairment losses on content advances are recognized when film production does not seem viable and refund of the advance is not probable. Irrespective of existence of indicators of impairment, group makes provision on Content Advances in accordance with the provisioning policy, such that, unadjusted advances are provided over a period of 3 to 5 years.

All assets are subsequently reassessed for indications that an impairment loss previously recognized may no longer exist.

e. Borrowing costs

The Group is capitalising borrowing costs that are directly attributable to the acquisition or construction of qualifying assets. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Borrowings are recognised initially at fair value, net of transaction costs incurred. Borrowings are subsequently stated at amortized cost with any difference between the proceeds (net of transaction costs) and the redemption value recognised in the income statement within Finance costs over the period of the borrowings using the effective interest method. Finance costs in respect of film productions and other assets which take a substantial period of time to get ready for use or for exploitation are capitalized as part of the assets. All other borrowing costs are recognized as expense in the period in which they are incurred and charged to the Statement of Profit and Loss.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

f. Impairment of financial assets

In accordance with Ind AS 109, the Group apply expected credit loss (ECL) model for measurement and recognition of impairment loss on risk exposure arising from financial assets like debt instruments measured at amortised cost e.g., trade receivables and deposits.

The Group follow 'simplified approach' for recognition of impairment loss allowance on Trade receivables or contract revenue receivables. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on

Notes

to the consolidated financial statements and other explanatory information

lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'Other income or other expenses' in the statement of profit and loss.

For assessing increase in credit risk and impairment loss, the Group combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

g. Inventories

Inventories primarily comprise of music CDs and DVDs, and are valued at the lower of cost and net realizable value. Cost in respect of goods for resale is defined as all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost in respect of raw materials is purchase price.

Purchase price is assigned using a weighted average basis. Net realisable value is the

estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

h. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized when the Group has a present legal or constructive obligation as a result of a past event, it is more likely than not that an outflow of resources will be required to settle the obligations and can be reliably measured. Provisions are measured at Management's best estimate of the expenditure required to settle the obligations at the balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are not recognized in the financial statements but are disclosed by way of notes to accounts unless the possibility of an outflow of economic resources is considered remote.

Contingent assets are not recognized in financial statements. However, the same is disclosed, where an inflow of economic benefit is virtual.

i. Employee benefits

Short term employee benefits obligations

Short-term employee benefits are recognized as an expense in the Statement of Profit and Loss for the year in which related services are rendered.

Post-employment benefits and other long term employee benefits

Defined contribution plan

Provident fund & National Pension scheme: The Group's contributions paid or payable during the year to the provident fund, employee's state insurance corporation and National pension scheme are recognized in the Statement of Profit and Loss. This fund is administered by the respective Government authorities, and the Group has no further obligation beyond making its contribution, which is expensed in the year to which it pertains.

Defined benefit plan

Gratuity: The Group's liability towards gratuity is determined using the projected unit credit method which considers each period of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. The cost for past services is recognized on a straight-line basis over the average period until the amended benefits become vested. Re-measurement gains and losses are recognized immediately in the Other Comprehensive Income

Notes

to the consolidated financial statements and other explanatory information

as income or expense and are not reclassified to profit or loss in subsequent periods. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

Compensated absences: Accumulated compensated absences are expected to be availed or encashed within 12 months from the end of the year and are treated as short-term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Employee stock option plan

In accordance with Ind AS 102 Share Based Payments, the fair value of shares or options granted is recognized as personnel costs with a corresponding increase in equity. The fair value is measured at the grant date and spread over the period during which the recipient becomes unconditionally entitled to payment unless forfeited or surrendered.

The fair value of share options granted is measured using the Black Scholes model, each taking into account the terms and conditions upon which the grants are made. At each Balance Sheet date, the Group revises its estimate of the number of equity instruments expected to vest as a result of non-market based vesting conditions. The amount recognized as an expense is adjusted to reflect the revised estimate of the number of equity instruments that are expected to become exercisable, with a corresponding adjustment to equity. The Group's share option plan does not feature any cash settlement option.

Upon exercise of share options, the proceeds received net of any directly attributable transaction costs up to the nominal value of the shares are allocated to equity share capital with any excess being recorded as securities premium.

j. Leases

The Group adopted Ind AS 116 'Leases' on April 1, 2019, utilizing the modified retrospective approach, and therefore, results for reporting periods beginning after April 1, 2019 are presented under the new lease standard, while prior periods have not been adjusted.

The Group as a lessee:

The Group assesses, whether the contract is, or contains, a lease at the inception of the contract or upon the modification of a contract. A contract is, or contains, a lease if the contract conveys the

right to control the use of an identified asset for a period of time in exchange for consideration.

The Group at the commencement of the lease contract recognizes a Right-of-Use (RoU) asset at cost and corresponding lease liability, except for leases with a term of twelve months or less (short-term leases) and leases for which the underlying asset is of low value (low-value leases). For these short-term and low-value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The cost of the right-of-use assets comprises the amount of the initial measurement of the lease liability, adjusted for any lease payments made at or prior to the commencement date of the lease, any initial direct costs incurred by the Group, any lease incentives received and expected costs for obligations to dismantle and remove right-of-use assets when they are no longer used.

Subsequently, the right-of-use assets is measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets are depreciated on a straight-line basis from the commencement date of the lease over the shorter of the end of the lease term or useful life of the right-of-use asset.

Right-of-use assets are assessed for impairment whenever there is an indication that the balance sheet carrying amount may not be recoverable using cash flow projections for the useful life.

For lease liabilities at commencement date, the Group measures the lease liability at the present value of the future lease payments as from the commencement date of the lease to end of the lease term. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, the Group's incremental borrowing rate for the asset subject to the lease in the respective markets.

Subsequently, the Group measures the lease liability by adjusting carrying amount to reflect interest on the lease liability and lease payments made.

The Group remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever there is a change to the lease terms or expected payments under the lease, or a modification that is not accounted for as a separate lease

The portion of the lease payments attributable to the repayment of lease liabilities is recognized in cash flows used in financing activities. Also, the portion attributable to the payment of interest is included in cash flows from financing activities. Further, Short-term lease payments, payments for leases for which the underlying asset is of low-value and variable lease payments not included

Notes

to the consolidated financial statements and other explanatory information

in the measurement of the lease liability is also included in cash flows from operating activities.

The Group as a lessor:

In arrangements where the Group is the lessor, it determines at lease inception whether the lease is a finance lease or an operating lease. Leases that transfer substantially all of the risk and rewards incidental to ownership of the underlying asset to the counterparty (the lessee) are accounted for as finance leases. Leases that do not transfer substantially all of the risks and rewards of ownership are accounted for as operating leases. Lease payments received under operating leases are recognized as income in the statement of profit and loss on a straight-line basis over the lease term or another systematic basis. The Group apply another systematic basis if that basis is more representative of the pattern in which benefit from the use of the underlying asset is diminished.

k. Foreign currency transactions

Transactions in foreign currencies are translated at the rates of exchange prevailing on the dates of the transactions. Monetary assets and liabilities in foreign currencies are translated at the prevailing rates of exchange at the consolidated balance sheet date. Non-monetary items that are measured at historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Any exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were initially recorded are recognized in the consolidated Statement of profit and loss in the period in which they arise. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

The assets and liabilities in the financial statements of foreign subsidiaries are translated at the prevailing rate of exchange at the consolidated balance sheet date. Income and expenses are translated at the annual average exchange rate. The exchange differences arising from the retranslation of the foreign operations are recognized in other comprehensive income and taken to the "currency translation reserve" in equity.

On disposal of a foreign operation the cumulative translation differences (including, if applicable, gains and losses on related hedges) are transferred to the Consolidated Statement of profit and loss as part of the gain or loss on disposal.

Items included in the Consolidated financial statements of each of the Group's entities are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Consolidated financial statements are presented in Indian Rupee (INR) which is Group's functional and presentation currency.

l. Financial instrument

Non-derivative financial instruments

Financial assets and financial liabilities are recognized when the Group becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets or liabilities (other than financial assets and liabilities at fair value through profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognized immediately in Statement of profit or loss. Financial assets and financial liabilities are offset against each other and the net amount reported in the balance sheet if, and only if, there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

Financial Assets

Financial assets are divided into the following categories:

- financial assets carried at amortised cost
- financial assets at fair value through other comprehensive income
- financial assets at fair value through profit and loss;

Financial assets are assigned to the different categories by Management on initial recognition, depending on the nature and purpose of the financial assets. The designation of financial assets is re-evaluated at every reporting date at which a choice of classification or accounting treatment is available. Financial Assets like Investments in Subsidiaries are measured at Cost as allowed by Ind-AS 27 – Separate Financial Statements and hence are not fair valued.

Financial assets carried at amortised cost

The Financial asset is measures at amortised cost if both the following conditions are met:

1. The asset is held within a business model whose objective is to hold the assets for collecting contractual cash flows; and

Notes

to the consolidated financial statements and other explanatory information

2. Contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (the "EIR") method. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income/ other income in the Statement of Profit & Loss.

In accordance with Ind AS 109: Financial Instruments, the Group recognizes impairment loss allowance on trade receivables and content advances based on historically observed default rates. Impairment loss allowance recognized during the year is charged to Statement of Profit and Loss.

Financial assets at fair value through other comprehensive income

Financial assets at fair value through other comprehensive income are non-derivative financial assets held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss. It includes non-derivative financial assets that are either designated as such or do not qualify for inclusion in any of the other categories of financial assets. Gains and losses arising from investments classified under this category is recognized in the statement of profit and loss when they are sold or when the investment is impaired.

In the case of impairment, any loss previously recognized in other comprehensive income is transferred to the statement of profit and loss. Impairment losses recognized in the statement of profit and loss on equity instruments are not reversed through the statement of profit and loss. Impairment losses recognized previously on debt securities are reversed through the statement of profit and loss when the increase can be related objectively to an event occurring after the impairment loss was recognized in the statement of profit and loss.

When the Group considers that fair value of financial assets can be reliably measured, the fair values of financial instruments that are not traded in an active market are determined by using valuation techniques. The Group applies its judgment to select a variety of methods and make assumptions that are mainly based on market conditions existing at each balance sheet date. Equity instruments measured at fair value through profit or loss that do not have a quoted price in an active market and whose fair value cannot be reliably measured are measured at cost less impairment at the end of each reporting period.

An assessment for impairment is undertaken at least at each balance sheet date.

A financial asset is derecognized only where the contractual rights to the cash flows from the asset expire or the financial asset is transferred and that transfer qualifies for derecognition. A financial asset is transferred if the contractual rights to receive the cash flows of the asset have been transferred or the Group retains the contractual rights to receive the cash flows of the asset but assumes a contractual obligation to pay the cash flows to one or more recipients. A financial asset that is transferred qualifies for derecognition if the Group transfers substantially all the risks and rewards of ownership of the asset, or if the Group neither retains nor transfers substantially all the risks and rewards of ownership but does transfer control of that asset.

Financial liabilities

All financial liabilities are recognised initially at its fair value, adjusted by directly attributable transaction costs.

Financial liabilities at fair value through profit or loss

Financial liabilities are classified as at fair value through profit or loss when the financial liability is held for trading such as a derivative, except for a designated and effective hedging instrument, or if upon initial recognition it is thus designated to eliminate or significantly reduce measurement or recognition inconsistency or it forms part of a contract containing one or more embedded derivatives and the contract is designated as fair value through profit or loss.

Financial liabilities at fair value through profit or loss are stated at fair value. Any gains or losses arising of held for trading financial liabilities are recognized in profit or loss. Such gains or losses incorporate any interest paid and are included in the "other gains and losses" line item.

Financial liabilities at amortised cost

After initial recognition, other financial liabilities (including borrowing and trade and other payables) are subsequently measured at amortized cost using the effective interest method.

Notes

to the consolidated financial statements and other explanatory information

The effective interest method is a method of calculating the amortized cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

A financial liability is derecognized only when the obligation is extinguished, that is, when the obligation is discharged or cancelled or expires. Changes in liabilities fair value that are reported in profit or loss are included in the statement of profit and loss within finance costs or finance income.

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet when, and only when, there is a legally enforceable right to offset the recognized amount and there is intention either to settle on net basis or to realize the assets and to settle the liabilities simultaneously.

Equity Instrument

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through profit and loss with all changes recognised in the Statement of Profit and Loss. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income, the subsequent changes in the fair value. The Group make such election on an instrument-by-instrument basis. If the Group decide to classify an equity instrument as at fair value through other comprehensive income, then all fair value changes on the instrument, excluding dividends and impairment loss, are recognised in other comprehensive income. There is no recycling of the amounts from the other comprehensive income to the Statement of Profit and Loss, even on sale of the investment. However, the Group may transfer the cumulative gain or loss within categories of equity.

m. Taxes

Taxation on profit and loss comprises current tax and deferred tax. Tax is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity or other comprehensive income in which case tax impact is also recognized in equity or other comprehensive income.

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date along with any adjustment relating to tax payable in previous years.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted at the balance sheet date and are expected to apply when the related deferred income tax asset is realized or the deferred income tax liability is settled.

Deferred tax is not recognized for all taxable temporary differences between the carrying amount and tax bases of investments in subsidiaries where it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Minimum alternate tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. MAT credit entitlement is recognised as a deferred tax asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the specified period, which is the period for which MAT credit is allowed to be carried forward. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Group will pay normal income tax during the specified period.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to utilize all or part of the deferred tax asset. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will be available to utilize the deferred tax asset.

n. Earnings per share (EPS)

Basic EPS is computed by dividing net profit after taxes for the year by weighted average number of equity shares outstanding during the financial year, adjusted for bonus share elements in equity shares issued during the year and excluding treasury shares, if any.

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of additional equity shares that

Notes

to the consolidated financial statements and other explanatory information

would have been outstanding assuming the conversion of all dilutive potential equity shares.

o. Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short term highly liquid investments which are readily convertible into known amounts of cash and are subject to insignificant risk of changes in value. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

Deposits held with banks as security for overdraft facilities are included in restricted deposits held with bank.

p. Segment reporting

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available. The Group's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. Based on the management approach as defined in Ind AS 108, the CODM evaluates the Group's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

The Group has identified three geographic markets: India, UAE and Rest of the world.

q. Statement of cash flows

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

In line with the amendments to Ind AS 7 Statement of Cash flows (effective from April 1, 2017), the Group has provided disclosures that enable users of the consolidated financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes. The adoption of amendment did not have any material impact on the consolidated financial statements.

r. Dividends

The Group recognise a liability for dividends to equity holders of the Group when the dividend

is authorized and the dividend is no longer at the discretion of the Group. As per the corporate laws in India, a dividend is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

s. Event occurring after the reporting date

Adjusting events (that provides evidence of condition that existed at the consolidated balance sheet date) occurring after the consolidated balance sheet date are recognized in the consolidated financial statements. Material non adjusting events (that are inductive of conditions that arose subsequent to the consolidated balance sheet date) occurring after the consolidated balance sheet date that represents material change and commitment affecting the financial position are disclosed in the Directors' Report.

t. Non - current assets held for sale and discontinued operations

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and sale is considered highly probable. They are measured at the lower of carrying amount or fair value less cost to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.

An impairment loss is recognized for any initial or subsequent write-down of the asset to fair value less cost to sell. A gain is recognized for any subsequent increase in the fair value less cost to sell of any asset, but not in excess of any cumulative impairment loss previously recognized. A gain or loss not previously recognized by the date of the sale of the non-current asset is recognized at the date of de-recognition.

Non-Current assets are not depreciated or amortised while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a disposal group classified as held for sale continue to be recognised.

Non-current assets classified as held for sale are presented separately from the other assets in the balance sheet.

A discontinued operations is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is a part of a single co-ordinated plan to dispose of such line of business or area of business of operations, or is a subsidiary acquired exclusively with a view of resale. The result of discontinued operations are presented separately in the statement of profit and loss.

Notes

to the consolidated financial statements and other explanatory information

Significant accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions, as described below, that affect the reported amounts and the disclosures. The Group based its assumptions and estimates on parameters available when the financial statements were prepared and reviewed at each balance sheet date. Uncertainty about these assumptions and estimates could result in outcomes that may require a material adjustment to the reported amounts and disclosures.

a. Intangible Assets

The Group is required to identify and assess the useful life of intangible assets and determine their income generating life. Judgment is required in determining this and then providing an amortization rate to match this life as well as considering the recoverability or conversion of advances made in respect of securing film content or the services of talent associated with film production.

Accounting for the film content requires Management's judgment as it relates to total revenues to be received and costs to be incurred throughout the life of each film or its license period, whichever is the shorter. These judgments are used to determine the amortization of capitalized film content costs. The Group use a stepped method of amortization on first release film content writing off more in year one which recognizes initial income flows and then the balance over a period of up to nine years. In the case of film content that is acquired by the Group after its initial exploitation, commonly referred to as Library, amortization is spread evenly over the lesser of 10 years or the license period. Management's policy is based upon factors such as historical performance of similar films, the star power of the lead actors and actresses and others. Management regularly reviews, and revises when necessary, its estimates, which may result in a change in the rate of amortization and/or a write down of the asset to the recoverable amount.

Intangible assets are tested for impairment in accordance with the accounting policy. These calculations require judgments and estimates to be made, and in the event of an unforeseen event these judgments and assumptions would need to be revised and the value of the intangible assets could be affected. There may be instances where the useful life of an asset is shortened to reflect the uncertainty of its estimated income generating life.

b. Employee benefit plans

The cost of the employment benefit plans and their present value are determined using actuarial valuations which involves making various assumptions that may differ from actual developments in the future. For further details refer to Note 38.

c. Fair value measurement of ESOP Liability

The fair value of ESOP Liability is determined using valuation methods which involves making various assumptions that may differ from actual developments in the future. For further details refer Note 42.

d. Trade receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

e. Depreciation

Property, plant and equipment are depreciated over the estimated useful lives of the assets, after taking into account their estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values are based on the Group's historical experience with similar assets and take into account anticipated technological changes. The depreciation for future periods is adjusted if there are significant changes from previous estimates.

f. Impairment of non-financial assets

In assessing impairment, management estimates the recoverable amount of each asset or cash-generating unit based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

g. Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgment to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

h. Fair value measurement

Management uses valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Notes

to the consolidated financial statements and other explanatory information

Management bases its assumptions on observable data as far as possible, but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Recent Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. In May 2025, MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it has no impact in its financial statements. In August 2025, MCA notified the following amendments to: 1. Ind AS 1, Presentation of Financial Statements, applicable w.e.f April 1, 2025 - The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities

Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments - Disclosures, applicable w.e.f April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it has no impact in its financial statements.

Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. The Company has reviewed the amendment and based on its evaluation has determined that it has no impact on its financial statements.

Standards issued but not yet effective

Treatment to Lender Waiver – Amendments to Ind AS 1 — This amendment also includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, retrospectively. These provisions relate to the treatment of lender waivers granted after the reporting date but before the financial statements are approved for issue. Under the amended requirements, such waivers will no longer be permitted to be considered for the purpose of classification of loans. The Company does not expect this amendment to have an impact on its financial statements.

The Holding Company has initiated arbitration process against certain parties to whom content advances were given in earlier period and which now are being sought to be refunded along with interest. The Company has been making provision for impairment of content advances in past in line with the accounting policy followed in this regard. Considering that the Company is now seeking refund of amount advanced and is not having intention to pursue it for commercial exploitation, the balance amount of content advances has been shown under the head "Financial Assets" instead of "Non- Financial Assets" as was hitherto made. Accordingly, the Company has impaired such content advances under Expected Credit Loss in terms of policy followed in this regard. Balances of content advances to the parties against whom arbitration process has been initiated as at the close of the financial year amounted to ₹ Nil (31 March 2025 ₹ 3,316 lakhs) net of provision under expected credit loss.

39 Segment Reporting

Description of segment and principal activities

The Group acquires, co-produces and distributes Indian films in multiple formats worldwide. Film content is monitored and strategic decisions around the business operations are made based on the film content, whether it is new release or library. Hence, Management identifies only one operating segment in the business, film content. The Company distributes film content to the Indian population in India and worldwide and to non-Indian consumers who view Indian films that are subtitled or dubbed in local languages. As a result of these distribution activities, the management examines the performance of the business from a geographical market perspective.

42 Fair value measurement of financial instruments

Financial assets and financial liabilities measured at fair value in the balance sheet are grouped into three Levels of a fair value hierarchy. The three Levels are defined based in the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: unobservable inputs for the asset or liability

The following table shows the Levels within the hierarchy of financial assets and liabilities measured at fair value on a recurring basis:

Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities and short term borrowings carried at amortised cost is not materially different from its carrying cost largely due to short term maturities of these financial assets and liabilities.

Fair value of the borrowing items fall within level 2 of the fair value hierarchy and is calculated on the basis of discounted future cash flows.

Non-listed shares and other securities fall within level 3 of the fair value hierarchy. Valuation is based on the net asset method.

Financial instruments with fixed and variable interest rate fall within level 2 of the fair value hierarchy and are evaluated by Company based on parameters such as interest rate, credit rating or assessed credit worthiness.

The following table shows the financial assets and liabilities measured at amortised cost on a recurring basis:

43 Financial instruments and Risk management

The Company is exposed to various risks in relation to financial instruments. The Company's financial assets and liabilities by category are summarised in note. The main types of risks are market risk, credit risk and liquidity risk.

The Company's risk management is coordinated in close cooperation with the board of directors and audit committee meetings.

The Company has established objectives concerning the holding and use of financial instruments. The underlying basis of these objectives is to manage the financial risks faced by the Company.

Formal policies and guidelines have been set to achieve these objectives. The Company does not enter into speculative arrangements or trade in financial instruments and it is the Company's policy not to enter into complex financial instruments unless there are specific identified risks for which such instruments help mitigate uncertainties.

Management of Capital Risk and Financial Risk

The Company manages its capital to ensure that it will be able to continue as a going concern while maximizing the return to shareholders through the optimization of the debt and equity balance. The Company monitors capital using a gearing ratio, which is net debt divided by total capital. For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. Net debt is calculated as borrowing (refer note 18 and 24) less cash and cash equivalents.

The gearing ratio at the end of the reporting period was as follows:

	Amount ₹ in lakhs

Financial risk management objectives

Based on the operations of the Company, Management considers that key financial risks that it faces are credit risk, currency risk, liquidity risk and interest rate risk. The objectives under each of these risks are as follows:

- credit risk: minimize the risk of default and concentration.
- currency risk: reduce exposure to foreign exchange movements principally between INR and USD.
- liquidity risk: ensure adequate funding to support working capital and future capital expenditure requirements.
- interest rate risk: mitigate risk of significant change in market rates on the cash flow of issued variable rate debt.

Credit Risk

The Company's credit risk is principally attributable to its trade receivables, loans and bank balances. As a number of the Company's trading activities require third parties to report revenues due to the Company this risk is not limited to the initial agreed sale or advance amounts. The amounts shown within the Balance Sheet in respect of trade receivables and loans are net of allowances for doubtful debts based upon objective evidence that the Company will not be able to collect all amounts due.

Trading credit risk is managed on a customer by customer basis by the use of credit checks on new clients and individual credit limits, where appropriate, together with regular updates on any changes in the trading partner's situation. In a number of cases trading partners will be required to make advance payments or minimum guarantee payments before delivery of any goods. The Company reviews reports received from third parties and in certain cases as a matter of course reserve the right within the contracts it enters into to request an independent third party audit of the revenue reporting.

The credit risk on bank balances is limited because the counterparties are banks with high credit ratings as signed by international credit rating agencies.

The Company from time to time will have significant concentration of credit risk in relation to individual theatrical releases, television syndication deals or digital licenses. This risk is mitigated by contractual terms which seek to stagger receipts and/or the release or airing of content. As at 31 March 2021 90 % (31 March 2020: 93 %) of trade account receivables were represented by the top 5 customer, out of which as at 31 March 2021 87 % (31 March 2020: 88 %) of trade account receivables were represented by the related parties. The maximum exposure to credit risk is that shown within the statement of financial position.

As at 31 March 2019, the Company did not hold any material collateral or other credit enhancements to cover its credit risks associated with its financial assets.

to the consolidated financial statements and other explanatory information

Currency Risk

The Company is exposed to foreign exchange risk from foreign currency transactions. As a result it faces both translation and transaction currency risks which are principally mitigated by matching foreign currency revenues and costs wherever possible.

The Company has identified that it will need to utilize hedge transactions to mitigate any risks in movements between the US Dollar and the Indian Rupee and has adopted an agreed set of principles that will be used when entering into any such transactions. No such transactions have been entered into to date and the Company has managed foreign currency exposure to date by seeking to match foreign currency inflows and outflows as much as possible such as packing credit repayment in USD is matched with remittances from UAE in USD. Details of the foreign currency borrowings that the Company uses to mitigate risk are shown within Interest Risk disclosures.

As at the Balance Sheet date there were no outstanding forward foreign exchange contracts. The Company adopts a policy of borrowing where appropriate in the local currency as a hedge against translation risk. The table below shows the Company's net foreign currency monetary assets and liabilities position in the main foreign currencies, translated to Indian Rupees(INR) equivalents, as at the year end:

Amount ₹ in lakhs

	Net balance receivables / (payables)			
	INR	USD	SGD*	EUR
As at 31 March 2026	7,189	121	0	1
As at 31 March 2025	8,403	98	1	(0)

*amount represents less than one lakh

The above foreign currency arises when the Company holds monetary assets and liabilities denominated in a currency other than INR.

A uniform decrease of 10% in exchange rates against all foreign currencies in position as of 31 March 2026 would have increased in the Group's net loss before tax by approximately ₹ 719 lakhs (31 March 2025: ₹ 840 lakhs). An equal and opposite impact would be experienced in the event of an increase by a similar percentage

Liquidity risk

The Company manages liquidity risk by maintaining adequate reserves and agreed committed banking facilities. Management of working capital takes account of film release dates and payment terms agreed with customers.

A maturity analysis for financial liabilities is provided below. The amounts disclosed are based on contractual undiscounted cash flows. The table includes both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rates as at 31 March, in each year.

Amount ₹ in lakhs

	Total	Less than 1 year	1-3 years	3-5 years	More than 5 years
As at 31 March 2026					
Borrowing principal payments	11,443	-	11,101	-	-
Borrowing interest payments	988	-	988	-	-
Lease Liabilities	-	-	-	-	-
Trade and other payables	75,838	51,722	24,116	-	-

Amount ₹ in lakhs

	Total	Less than 1 year	1-3 years	3-5 years	More than 5 years
As at 31 March 2025					
Borrowing principal payments	11,101	-	11,101	-	-
Borrowing interest payments	999	-	999	-	-
Lease Liabilities	-	-	-	-	-
Trade and other payables	44,120	44,120	-	-	-

Interest rate risk

The Group is exposed to interest rate risk as the Group has borrowed funds at floating interest rates. The risk is managed as the loans are at floating interest rates which is aligned to the market.

A uniform increase of 100 basis in interest rates against all borrowings in position as of 31 March 2026 would have decreased in the Group's net loss before tax by approximately ₹ 99 Lakhs (31 March 2025: net loss before tax of ₹ 100 Lakhs). An equal and opposite impact would be experienced in the event of a decrease by a similar basis.

47 The Company received an Interim Ex-Parte Order dated June 22, 2023, from the Securities and Exchange Board of India ("SEBI") ("Interim Ex-Parte Order") levelling certain allegations and imposing certain restrictions on the Company and some of its Directors. The Company filed an appeal against the Interim Ex-Parte Order before the Securities Appellate Tribunal ("Hon'ble SAT") and vide order dated August 22, 2023, the Hon'ble SAT without commenting on the merits of the said appeal directed the company to file its reply along with an application for vacating the Interim Ex-Parte Order before SEBI. The Company filed its reply as per the directions of the Hon'ble SAT. On October 13, 2023, SEBI passed an order confirming the Interim Ex-Parte Order ("Confirmatory Order"). The Confirmatory Order also stipulated that the investigation by SEBI shall be completed within a period of 6 months from the date of the Confirmatory Order.

On November 27, 2023, the Company filed an appeal with the Hon'ble SAT against the Confirmatory Order and sought stay of the implementation and enforcement of the Confirmatory Order passed by SEBI as well as seeking directions against SEBI from taking any coercive steps against the company. On June 28, 2024, the Hon'ble SAT disposed of Company's appeal by directing SEBI to issue a show cause notice within an outer period of 3 weeks and also directed adjudication of the same within 5 months of the receipt of a reply from the Company. A Show Cause Notice dated July 16, 2024, was received by the Company on July 18, 2024 ("SCN"). The Company is still seeking information, clarifications and documents in relation to the SCN from SEBI as well as exploring legal recourses available with it against the SCN.

As on date, while the Company continues to comply with the directions passed by SEBI in its Interim Ex-Parte Order and Confirmatory Order, it has filed an appeal before the Securities Appellate Tribunal (SAT) against SEBI's deliberate inaction with regard to disclosure of materials relied on in the SCN on May 08, 2025. The appeal was heard on June 24, 2025, wherein the Hon'ble SAT ordered SEBI to file its reply within three weeks and the Company to file a rejoinder within two weeks thereafter. SEBI filed its reply and the Company filed its rejoinder to SEBI's reply, the matter is currently listed for further hearing in June-2026.

Pending final disposal of the proceedings and filing/adjudication of replies to the SCN, the impact, if any, on the financial results for the year ended March 31, 2026, is presently not ascertainable. While uncertainty exists regarding outcome of the proceedings, the Company after considering all available information and facts as of date, has not identified the need for any adjustments.

Pending filing of the reply to the SCNs and finalization of the proceedings, the impact, if any, on the financial results for the period ended March 31, 2025, is presently not ascertainable. While uncertainty exists regarding outcome of the proceedings, the Company after considering all available information and facts as of date, has not identified the need for any adjustments.

Further to above, the search operations carried out u/s 37(3) of Foreign Exchange Management Act, 1999 at the Registered Office of the Company by the Enforcement Directorate, Mumbai, which ended on February 06, 2025.

The Company continues to operate in the normal course of business and shall continue to co-operate with the authorities.

A search operations was carried out u/s 37(3) of Foreign Exchange Management Act, 1999 at the Registered Office of the Company by the Enforcement Directorate, Mumbai, which concluded on February 06, 2025. The Company continues to operate in the normal course of business and shall continue to co-operate with the authorities.

48 During the Year ended March 31, 2025, a subsidiary company has entered into an Film License Agreement with GLOBUS ENT FZE thereby providing the subsidiary company rights for 578 cinematograph Kannada films. As per the said agreement, the licensee fees payable by the subsidiary company shall be adjusted against the advances already paid by the licensee to the licensor. The subsidiary company had impaired the advances in the earlier years and in view of this new agreement, the subsidiary company has reversed the impairment amount of ₹ 15,431 lakhs and shown as Other income and the corresponding addition has been made to the Film rights as Intangible assets and the said amount will be amortized over the years as per the amortization policy followed by the subsidiary company which is being followed over the years.

Notes

to the consolidated financial statements and other explanatory information

- 49** During the year ended March 31, 2026, the group has incurred Loss before tax amounting before tax of ₹ 13,464 lakhs. Additionally, the group has defaulted on payment of statutory dues on certain occasions. These circumstances give rise to material uncertainties that could significantly affect the Group's ability to continue operating as a going concern. To address these challenges, the group has implemented various measures to enhance liquidity, such as restructuring borrowing facilities, conserving cash through cost-saving initiatives, and maximizing revenue by entering into long-term contracts to monetize the film/music library and recover overdue trade receivables. The group has taken these uncertainties and measures into account when preparing its financial forecasts. Therefore, based on these considerations, management has decided to continue preparing the consolidated financial results on a going concern basis.
- 50** Other income for the year ended March 31, 2025 includes profit on sale of office premises amounting to ₹ 2,303 lakhs and ₹ 4,325 lakhs on account of reversal of impairment against an arbitration award granted in favour of the Company.
- 51** While preparing the consolidated financial statements of the Company for the year ended March 31, 2026, standalone financial result for the same period of Colour Yellow Production Private Limited ("CYPPL"), a subsidiary company, has not been included in the consolidation.

The financial statements of CYPPL for the reporting period were not made available to the Holding Company within a reasonable time frame required for consolidation in accordance with the Ind AS 110.

The matter pertains to disputes relating to the management and control of CYPPL, in respect of which the Company has filed a petition before the Hon'ble National Company Law Tribunal ("NCLT") under Sections 241-242 of the Companies Act, 2013 alleging mismanagement. The Hon'ble NCLT, vide its order dated April 28, 2026, dismissed the petition, against which the Company is in the process of filing an appeal before the Hon'ble National Company Law Appellate Tribunal ("NCLAT").

Management has concluded that, in the absence of reliable financial information, consolidation of CYPPL could not be carried out without compromising the integrity and reliability of the Group's consolidated financial statements. Accordingly, necessary adjustments have been made to Other Equity and Non-Controlling Interests.

52 Leases

3. As the AGM shall be conducted through VC/OAVM, the facility for appointment of Proxy by a Member is not available for this AGM and hence the Proxy Form and Attendance Slip including Route Map are not annexed to this Notice.
4. However, Institutional/Corporate Members are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and cast their votes through e-voting. Institutional/Corporate Members are requested to send a scanned copy (PDF/ JPEG format) of the Board Resolution authorising its representatives to attend and vote at the AGM, pursuant to Section 113 of the Act, to the Company at compliance.officer@erosintl.com through its registered email address.
5. In accordance with the circulars issued by MCA and SEBI, the Notice of the 32nd AGM along with the Annual Report 2025-26 is being sent by electronic mode to Members whose e-mail id is registered with the Company or the Depository Participants (DPs). Physical copy of the Notice of the 32nd AGM along with Annual Report for the financial year 2025-26 shall be sent to those Members who request for the same. Members may note that the Notice and Annual Report for the financial year 2025-26 will also be available on website of the Company, i.e. www.erosmediaworld.com, website of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of Central Depository Services (India) Limited (CDSL) www.evotingindia.com.
6. The business set out in the Notice will be transacted through electronic voting system and the Company is providing facility for voting by electronic means. Instructions and other information relating to e-voting are given in this Notice under Note No. 18.
7. Members attending the Meeting through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
8. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act and the Register of Contracts or Arrangements in which the directors are interested maintained under Section 189 of the Act, will be available electronically for inspection by the Members during the AGM. All documents referred to in this Notice will also be available for electronic inspection by the Members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to compliance.officer@erosintl.com.
9. Notice is also given under Section 91 of the Act read with Regulation 42 of the SEBI Listing Regulations, that the Register of Members and the Share Transfer Book of the Company will remain closed from Thursday, 24 September, 2026 to Wednesday, 30th September, 2026 (both days inclusive).
10. Members are requested to intimate changes, if any, pertaining to their name, postal address, telephone/mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, to their DPs in case the shares are held by them in dematerialized form and to the Registrar and Share Transfer Agents (RTA) of the Company i.e. MUFG Intime India Private Limited in case the shares are held by them in physical form.
11. Members seeking any information/desirous of asking any questions at the Meeting with regard to the accounts or any matter to be placed at the Meeting are requested to send email to the Company at compliance.officer@erosintl.com at least 10 days before the Meeting. The same will be replied by the Company suitably.
12. SEBI vide its notification dated 24 January, 2022 has amended Regulation 40 of the SEBI Listing Regulations and has mandated that all requests for transfer of securities including transmission and transposition requests shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or RTA, for assistance in this regard.
13. SEBI vide its Circular dated 25 January, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/exchange of securities certificate; endorsement; sub-division / splitting of securities certificate; consolidation of securities certificates / folios; transmission and transposition. Members can contact the company or RTA for assistance in this regulation.

14. Pursuant to Section 72 of the Act, Members are entitled to make a nomination in respect of shares held by them. However, if a Member is already registered with CDSL for e-voting then existing User ID and password can be used for casting vote.

- vi. Mr. C R Bhagwat, Practicing Company Secretary, (Membership No. F7075, CP No: 26844) proprietor of C R Bhagwat & Associates has been appointed as the Scrutinizer for providing facility to the members of the Company to scrutinize the voting and remote e-voting process in a fair and transparent manner.
- vii. The Scrutinizer, after scrutinizing the votes, will, not later than forty-eight hours from the conclusion of the Meeting; make a consolidated scrutinizer's report which shall be placed on the website of the Company, i.e. www.erosmediaworld.com and on the website of CDSL. The results shall simultaneously be communicated to the Stock Exchanges.

viii. Information and other instructions relating to e-voting are as under

- a) The remote e-voting facility will be available during the following period:

Commencement of e-voting: From 9:00 a.m. (IST) on Saturday, 26th September 2026. End of e-voting: Up to 5:00 p.m. (IST) on Tuesday, 29th September 2026. The remote e-voting will not be allowed beyond the aforesaid date and time and the e-voting module shall be

disabled by CDSL upon expiry of the aforesaid period.

- b) The Members who have cast their vote by remote e-voting prior to the Meeting may also attend/ participate in the Meeting through VC / OAVM but shall not be entitled to cast their vote again.
- c) Pursuant to **SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020**, under Regulation 44 of SEBI Listing Regulations, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

d) Pursuant to **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. By Order of the Board of Directors
For **Eros International Media Limited**

Akshay Atkulwar
Vice President - Company Secretary &
Compliance Officer

Date: 14th August 2026
Place: Mumbai

Annexure I to the Notice

EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**Item No. 3:**

Mr. Manmohan Kumar Sardana (DIN: 09294639) was appointed as an Independent Director on the Board of the Company by the Members at the 27th AGM of the Company held on 28 September 2021 for a period of Five (5) consecutive years till the conclusion of the AGM to be held in the calendar year 2026.

As per Section 149(10) of the Act, an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company but shall be eligible for re-appointment on passing a Special Resolution by the Company for another term of upto five consecutive years on the Board of a Company.

The Board, based on the performance evaluation of Independent Directors and based on recommendation of Nomination and Remuneration Committee and in terms of the provisions of Sections 149, 150, 152 read with Schedule IV and any other applicable provisions of the Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), Mr. Manmohan Kumar Sardana, being eligible for re-appointment as an Independent Director and offering himself for re-appointment, is proposed to be re-appointed as an Independent Director for second term of Five (5) consecutive years till the conclusion of the AGM to be held in the calendar year 2031.

The Company has received declaration from Mr. Manmohan Kumar Sardana stating that he meets the criteria of Independence as prescribed under sub-section (6) of Section 149 of the Act and Regulation 16(1)(b) of the SEBI Listing Regulations. He has also given his consent to continue to act as Director of the Company, if so appointed by the Members of the Company.

In the opinion of the Board, Mr. Manmohan Kumar Sardana fulfils the conditions specified under Section 149(6) of the Act, the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 16(1)(b) of the SEBI Listing Regulations for his re-appointment as an Independent Director of the Company and is independent of the management. Copy of the draft letter for appointment of Mr. Manmohan Kumar Sardana as an Independent Director setting out terms and conditions would be available for inspection without any fee by the Members at the Registered Office of the Company during normal business hours (11:00 A.M. to 1:00 P.M.) on all days except Saturdays, Sundays and Public Holidays up to the date of the AGM.

The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail services of Mr. Manmohan Kumar Sardana as an Independent Director.

Accordingly, the Board recommends passing of the Special Resolution in relation to re-appointment of Mr. Manmohan Kumar Sardana as an Independent Director for another term of Five (5) consecutive years till the conclusion of the AGM to be held in the calendar year 2031, for the approval by the Members of the Company since Mr. Manmohan Kumar

Sardana is already above the age of Seventy Five (75) years pursuant to Regulation 17(1A) of the SEBI Listing Regulations.

Except Mr. Manmohan Kumar Sardana, being an appointee and his relatives, none of the Directors and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 of the accompanying Notice of the AGM. Mr. Manmohan Kumar Sardana is not related to any Director of the Company.

The Board recommends the Special Resolution as set out in Item No. 3 of the Notice for approval of the Members.

Item No. 4

The Members at the 29th Annual General Meeting ("AGM") held on 26 September 2023 had approved, under the provisions of Section 197 of the Companies Act, 2013 ("Act") and other applicable provisions of the Act, payment of commission to the Non-Executive Directors, an amount not exceeding 1% of the net profits of the Company in terms of Section 197 of the Act, computed in accordance with the provisions of Section 198 of the Act or such other percentage as may be specified from time to time.

However, taking into consideration the financial loss of the Company, no commission was paid to the Non-Executive Directors. The Company has incurred a loss as computed under Section 198 of the Act and therefore no commission would be payable to the Non-Executive Directors for FY 2025-26.

In terms of Sections 149(9), 197(3) and Section II of Part II of Schedule V of the Act companies having no / inadequate profits can pay remuneration to its Non-Executive Directors (including Independent Directors) within the limits based on the 'effective capital' of a company in accordance with the provisions contained in the Schedule V to the Act.

With the enhanced Corporate Governance requirements under the Act and the SEBI (Listing obligations and Disclosure Requirement), Regulations, 2015 coupled with the size, complexity and global operations of Eros Group, the role and responsibilities of the Board, particularly Independent Directors has become more onerous, requiring greater time commitments, attention as also a higher level of oversight. In view of the above, to incentivize them for their time, contribution rich experience and critical guidance provided, including at the Board and Committee meetings and pursuant to the amended provisions of Sections 149(9), 197(3) and Section II of Part II of Schedule V of the Act and based on the recommendations of the Nomination and Remuneration Committee and the Board of Directors at its meeting held on 14 August 2026 have recommended and approved payment of remuneration to the Non-Executive Directors (including Independent Directors) of the Company within the limits prescribed under Section II of Part II of Schedule V of the Act for the Financial Years 2026-27 to 2028-29 in case of inadequacy of profits/ losses for in any of the said financial year(s).

STATEMENT CONTAINING ADDITIONAL INFORMATION AS REQUIRED UNDER SCHEDULE V TO THE ACT

I. GENERAL INFORMATION:

A) Nature of Industry

The Media and Entertainment (M&E) industry in India is projected to grow significantly with the sector reaching INR 2.78 trillion in 2025 and expected to grow to INR 3.3 trillion by 2026. However, it also faced challenges such as inflationary pressures, regulatory changes, and shifts in consumer preferences.

Key Trends in 2025-26

1. Digital Transformation and OTT Growth:

- o The **OTT (Over-the-top) streaming** market continued its significant growth, fuelled by increasing subscription expand, affordable data costs, and a shift in consumer behaviour towards on-demand content. Popular platforms like **Netflix, Amazon Prime Video, Disney+ Hotstar**, and regional players saw increased subscription numbers.
- o There was a marked shift towards **regional content**, with regional language films and shows experiencing greater viewership across digital platforms. This trend is expected to continue, as OTT players tailor content to cater to diverse Indian audiences.

2. Films Entertainment

- o **Box office revenues** showed significant recovery in FY 2025-26, with high-performing films both in Hindi and regional languages contributing to a resurgence in theatrical releases.
- o The cinema sector continued to face the challenge of **competition from digital platforms** and evolving audience preferences. However, the **experience of watching films in theatres** remained an important draw for audiences, particularly with the resurgence of new technics **and IMAX formats**. Even Re-release of films have helped to increase revenue in this sector.

3. Content Creation and monetisation:

- o The demand for high-quality content continued to rise, leading to an increased focus on **premium content** and collaborations with international studios. This was seen in the success of big-budget films, web series, and the increasing number of **co-productions**.
- o Indian producers continued to experiment with **new genres**, blending traditional narratives with modern storytelling formats with help of AI in content diversity.
- o **Content localization** was a significant trend, with companies investing heavily in dubbing, subtitles, and creating region-specific content to capture local markets, especially in non-Hindi-speaking regions.

4. Live Events and Sports:

- o The return of **live events** and **sports broadcasting** marked a turning point in 2025-26, attracting huge viewership and advertising revenue.

- o **E-sports** also gained traction, with several high-profile tournaments and a growing audience base, further strengthening the intersection between technology, gaming, and entertainment.

5. Advertising and Revenue Growth:

- o **Advertising spend** continued to rise, with digital platforms (including OTTs, social media, and video sharing apps) capturing a larger share of the overall ad pie. Traditional TV and print media, while still important, saw moderate growth compared to digital channels.
- o The **ad-based** model for digital platforms continued to grow, as advertisers sought to capitalize on the huge and engaged user base of streaming platforms, while **social media influencers** and **user-generated content** on platforms like Instagram, YouTube, etc. drove new advertising formats.

6. Challenges:

- o **Inflationary pressures** impacted production costs, talent fees, and marketing expenses. The increasing cost of raw materials, logistics, and the cost of talent posed challenges for content creators and distributors.

Regulatory challenges: The Indian M&E industry faced evolving regulatory scrutiny, especially concerning **OTT content regulation, advertisement transparency, and data privacy laws**. The government has shown interest in regulating OTT platforms, leading to potential changes in content and advertising standards.

Outlook for FY 2026-27

Looking ahead, the Indian Media and Entertainment industry is expected to continue its growth trajectory in FY 2026-27, driven by several key factors:

1. Continued OTT Expansion:

- o The OTT sector is poised to expand further, with more players entering the market and established players focusing on regional content, creating tailored experiences for specific audience segments.

2. Mix Models in Cinema:

- o The film industry is expected to embrace hybrid release models, combining theatrical releases with OTT premieres. More films will follow the success of direct-to-digital releases, particularly for mid-range budget films, while big-ticket films will still benefit from cinema-first strategies.
- o Premium theatrical experiences, such as 4D and IMAX screenings, will continue to offer differentiation from home-viewing experiences.

3. Growth of Regional and Niche Content:

- o The demand for regional content will continue to grow, with content providers increasingly focusing on languages and stories that resonate with local audiences. This will further diversify the types of content available on both digital platforms and in cinemas.

- o There will be a push for niche genres, such as period films, horror, thriller, and science fiction, gaining more traction with audiences both on TV and digital platforms.

4. Sports and Live Events:

- o The growing popularity of sports content, especially cricket, will drive significant viewership in FY 2026-27. With global and regional sports events like the Olympics and Indian Premier League (IPL), the media rights market will continue to flourish.

5. Technological Innovations:

- o The rise of artificial intelligence (AI) and machine learning (ML) in content creation, curation, and distribution will play a key role in personalized recommendations, enhancing user experience, and improving the efficiency of content production.
- o Blockchain and NFTs could emerge as disruptive technologies in the M&E industry, especially in areas like content rights management and collectibles.

6. Content Monetization Strategies:

- o OTT platforms will continue to refine their subscription models and advertising strategies, exploring hybrid models such as SVOD-AVOD combinations. Greater personalization and data-driven content will lead to higher engagement and revenue.

Traditional media (television and print) will continue to adapt by investing in digital transformation, creating cross-platform experiences and synergies with OTT and social media platforms.

III. Other Information

A. Reasons of loss or inadequate profits:

The major reason for the loss is the reduction in the Company's total turnover during the year. Further, in accordance with the Expected Credit Loss ("ECL") Policy, the Senior Management reviews all financial assets, including trade receivables, on a regular basis. Based on such review

and considering the principle of prudence, the Management has recognised ECL provisions on the financial assets, as considered necessary.

B. Steps taken or proposed to be taken for improvement:

The Company's key asset is a film library of huge number of films. In an effort to reach a wide range of audiences,

we maintain rights to a diverse portfolio of films spanning various genres, generations and languages. These include rights to films in Hindi and several regional languages, Tamil, Telugu, Kannada, Marathi, Gujarati, Bengali, Malayalam and Punjabi. We have strong operational focus in syndication and monetization of these film rights as part of our business development and operations.

C. Expected increase in productivity and profits in measurable terms:

We believe all the initiatives listed above will bring and create further value for our shareholders. It will also enhance the revenue potential of the Group, resulting in better and improved profit for the companies of the Eros Group.

Regulation 17(6) of the SEBI Listing Regulations authorises the Board of Directors to recommend all fees and compensation, if any, paid to Non-Executive Directors, including Independent Directors and the same would require approval of members in general meeting.

This remuneration will be distributed amongst all or some of the Non-Executive Directors, taking into consideration parameters such as attendance at Board and Committee meetings, contribution at or other than at meetings, etc. in accordance with the directions given by the Board as prescribed under the Remuneration Policy of the Company.
